Teen faces hate crime charges for vandalism incidents

Graffiti at 2 schools included racial slurs and swastika, according to criminal complaint

By **TIM RYAN**
Reporter

SHAWANO — A Shawano teen already charged with auto theft and vandalism has also been charged with hate crimes for graffiti painted on two Shawano schools.

The graffiti found at Shawano Community Middle School on July 22 and Shawano Community High School on Aug. 7 included obscene images, racial slurs, a swastika and a reference to “88,” which in some circles stands for “Heil Hitler,” according to the criminal complaint.

Payton M. Pagel, 18, is charged with three counts of criminal damage to property and three counts of making lewd, obscene or indecent drawings.

Normally, those would be misdemeanors, but each of those counts carries a hate crime enhancement that makes them felonies and could result in a maximum two years in prison and \$10,000 fine if found guilty.

Pagel was arrested Tuesday in connection with two auto thefts that allegedly took place Monday and Tuesday. He was charged with those crimes and with vandalism for damage done to mailboxes during his joy rides.

In interviews with police, Pagel further admitted to the graffiti

incidents, according to the criminal complaint.

According to the complaint, Pagel told police, “I did the high school,” and said he was present during the vandalism at Olga Brenner Intermediate School.

Pagel was arrested after police received a tip that he was involved in a car theft in the city Monday morning and that there was a Snapchat video of him and another person in the stolen car.

The car was reported stolen in the 1000 block of East Zingler Avenue around 9 a.m. Monday and was later found on Riverbend Circle “almost in the water,” according to the police report.

Police contacted Pagel for questioning, but he failed to show up at the police station, according to the criminal complaint.

On Tuesday, another vehicle was reported stolen in the 1200 block of Birch Hill Lane and was found crashed into a tree in the 800 block of South Prospect Street around 6 a.m.

According to the criminal complaint, Pagel admitted to being involved in both vehicle thefts.

Pagel could face a maximum six years in prison and a \$10,000 fine on each of the two counts of operating

PAYTON PAGEL

a motor vehicle without the owner’s consent if convicted.

He is also charged with felony criminal damage to property, which carries the same possible penalty, and felony theft, which carries

a maximum 10 years in prison and \$25,000 fine.

He is also charged with seven misdemeanor counts of criminal damage to property, including mailboxes that were reported vandalized along Robin Lane on Tuesday morning.

According to the complaint, Pagel told police he engaged in his crimes because he was bored.

“Pagel stated Shawano is boring and there is nothing for kids his age to do,” the complaint states. “Pagel stated it was just teenagers and teenager stuff. Pagel stated he and his friends would be sitting around and looking for things to do and this is the kind of things they thought up.”

Judge James Habeck set a \$5,000 signature bond for Pagel.

Pagel is due back in court Sept. 3 for an initial appearance on the new charges and an adjourned initial appearance on the charges previously filed.

Nelson prelim hearing moved back to Sept. 16

By **DAVID WILHELMS**
Correspondent

KINGSTON, Mo. — Garland “Joey” Nelson will remain jailed in Caldwell County, Missouri, without bond before facing a Sept. 16 preliminary hearing on felony tampering with a vehicle.

Nelson, 25, requested the continuation on Aug. 15 when he appeared before Judge Jason Kanoy via video link from the county detention center.

He is accused of driving a white

Ford F250 pickup truck, rented by brothers Nick and Justin Diemel, Bonduel, on their arrival in Missouri on July 20, from his farm in Braymer to a commuter parking lot in Holt, where it was abandoned.

The brothers disappeared July 21 while visiting Nelson’s farm about a cattle deal. Human remains found on the farm, about 70 miles northeast of Kansas City, have not been identified.

Authorities investigating the case have described Nelson as their lone suspect in the brothers’ presumed deaths. Judge William Kussel Jr.

ruled in Shawano County Probate Court Aug. 1 that it appeared the brothers are deceased and there was a demonstrated need for a special administrator. He granted Lisa Diemel, Nick’s wife, special administrator rights to operate the cattle business as well as manage family matters.

In other court action, no cameras will be allowed in the courtroom, according to an Aug. 13 mutual agreement with Ryan Williams, Nelson’s public defender, and Brady Kopek, Caldwell County prosecuting attorney.

5 arrested this week in 2 city drug busts

Authorities executed 4 drug search warrants in 3 weeks

By **TIM RYAN**
Reporter

SHAWANO — Authorities arrested two people in Shawano early Thursday on multiple drug charges, including distributing meth and running a drug house, only 12 hours after executing another drug search warrant in the city that netted three arrests.

The two incidents marked the third and fourth major drug bust incidents in Shawano County in three weeks.

Around 6 p.m. Wednesday, Shawano police, assisted by the Shawano County Sheriff's Department, executed a drug search warrant in the 800 block of South River Street.

A 25-year-old woman and a 28-year-old man, both of Shawano, and a 45-year-old man from Bonduel

were arrested.

Around 6 a.m. Thursday, police and sheriff's deputies executed a drug search warrant in the 1200 block of South Lafayette Street.

A 24-year-old Shawano man and a 23-year-old Shawano woman were arrested on multiple drug charges.

In the previous two weeks, drug search warrants were executed and arrests made in the town of Richmond and the town of Wescott.

Shawano Police Chief Dan Mauel said the surge of unrelated, high-profile drug busts has been a combination of law enforcement targeting drug houses and a reflection of just how big the drug problem is in the community.

"The investigations can take months, and it just happened that four of them came together at about the same time," he said.

Charges were filed Friday in the two most recent incidents.

Katie B. Beaver, 23, of Shawano, and Nicholas W. Temple, 24, of Shawano, both arrested in the Lafayette Street drug bust, are charged with felony counts of possession with intent to deliver methamphetamine,

possession of methamphetamine near a public park, maintaining a drug trafficking place and second or subsequent possession of marijuana.

They face possible penalties of 3½ years in prison and \$10,000 fine on most of the drug counts, and up to 12½ years in prison and a \$25,000 fine if convicted of possession with intent to deliver methamphetamine.

They're each also charged with felony bail jumping, which carries a maximum penalty of six years in prison and a \$10,000 fine.

Subjects arrested in the River Street drug bust Wednesday included Bret J. Dodge Sr., 28, and Lydi V. Dodge, 25, both of Shawano, and John F. Braz, 45, of Bonduel.

They are each facing felony charges of possession of methamphetamine, maintaining a drug trafficking place and bail jumping.

They could each face a maximum 3½ years in prison and \$10,000 fine on the felony drug counts and six years in prison and \$10,000 fine for felony bail jumping.

Those penalties could be enhanced, however, because of previous convictions.

Braz is also facing felony charges of third-degree sexual assault and possession with intent to deliver methamphetamine in a separate criminal complaint also filed Friday.

Shawano police interviewed the sexual assault victim Friday at ThedaCare Medical Center. She told police she had done meth with Braz at the River Street address prior to the assault.

Braz was ordered held on a \$1,500 cash bond for the drug charges and a \$5,000 cash bond on the sexual assault charge by Judge James Habeck. Braz is due back in court for an adjourned initial appearance Sept. 3.

Habeck set a \$5,000 cash bond for Temple who is scheduled for an adjourned initial appearance Aug. 26.

Habeck set a \$500 cash bond and \$2,000 signature bond for Bret Dodge and a \$500 cash bond and \$1,500 signature bond for Lydi Dodge, both scheduled for adjourned initial appearances Aug. 19.

Habeck set a \$5,000 cash bond for Beaver, who was scheduled for an adjourned initial appearance Sept. 3.

School expansion staying on schedule

Gresham project working within \$6.5M budget

By **LEE PULASKI**
City Editor

GRESHAM — Almost three months after the groundbreaking, the \$6.5 million renovation project for Gresham Community School is right on schedule to be completed in 2020.

Gray brick walls are forming on the east side of the school, where middle and high school classrooms, rehearsal space, cafeteria and technology education labs are expected to be ready to move into next summer.

“The crew we have working on this had a few jobs get postponed, so they sent additional people over to help out,” said Nick Curran, district business manager. “We obviously had the ability to take them; we weren’t going to say no.”

Even though some things are happening ahead of schedule, Curran said he anticipates there could be circumstances, like stormy weather, that could even out the work schedule.

“It makes a difference when you see progress happen,” Curran said. “We’re certainly excited about that.”

Electricians are currently on the premises making sure the infrastructure is in place and connected to the existing building to make it easier to move in once warmer weather returns. Even though the building itself is expected to be completed during the winter, the district plans to wait until May or June to occupy the new section.

Gresham School District Superin-

A view from the second floor of the current Gresham Community School shows employees from Kraus Anderson building the perimeter of the new middle school and high school sections Friday. Gresham school staff said that Kraus Anderson has brought in additional help when other projects were canceled to move construction a little ahead of schedule.

LEE PULASKI | NEW MEDIA

tendent Newell Haffner said the new section “won’t be inhabitable because we’re pumping heat from over there (in the existing building), and we’re worried it won’t stay warm because the boilers come in the next phase.”

Haffner added that there will be a thin window to move things from the old 1935 section of the school to the new area, as plans to demolish the 85-year-old wing will take place soon after the school year ends in June.

“It’s all fluid,” Haffner said. “It depends on when things come. I envision moving a room at a time. If kids help us during study hall,

that shouldn’t impact education too much.”

The project is staying on budget, Curran said, noting that the district just had a \$3,000 credit to its contingency budget. He said that the bids for the project were strong and competitive and stayed within the anticipated costs which has helped to keep everything on target.

“In the grand scheme of things, \$3,000 doesn’t seem like much,” Curran said, “but we’re \$3,000 in the right direction.”

Ayres and Associates is the architect for the expansion, with Kraus

Anderson serving as the builders.

Besides the demolition, a new cafeteria and kitchen will be built next summer, according to Curran.

Haffner said he’s looking forward to showing the finished expansion to the community in an open house. He said that if the existing work is any indication, taxpayers should be very pleased with what \$6.5 million provided in terms of a school building.

“It’s going to be cool,” Haffner said. “I’m going to be excited when it’s all done.”

Skee-ball back as lottery scratch ticket

Game unveiled at Pulaski business

By **DAVID WILHELMS**
Correspondent

PULASKI — Skee-ball is back as a Wisconsin State Lottery scratch game.

The iconic arcade game is featured on a \$3 ticket and could award up to \$30,000 instantly.

Peter Barca, secretary of the state Department of Revenue, was on hand at Bay Tek Entertainment, the game's manufacturer, Aug. 15 in Pulaski to launch the ticket. Bay Tek Entertainment has owned the game since 2016, although the game dates back to the early 1900s. Joseph F. Simpson invented the game, and it soon became a staple in arcades.

Simpson chose the name "skee" as the game's shape is similar to a slope for downhill skiing, a sport just starting to become popular in the United States.

Jim Keane, Bay Tek Entertainment president, pinpointed the game's popu-

Jasen Pape gives a 2019 version of Skee-ball a try at the Aug. 15 launch of a Wisconsin State Lottery ticket featuring the iconic arcade game. Pape, representing Muza Metals in Oshkosh, was among the suppliers and officials invited to the launch at Bay Tek Entertainment — the game manufacturer's home in Pulaski. Muza Metals provides many of the brackets and other components essential to game construction.

DAVID WILHELMS

larity over the past 110 years to "clearly the experience, the ball, the alley and the playing field. It's the authenticity of the game. That made it the perfect complement to our portfolio."

Keane promised that as the game

has evolved from wood and low levels of technology to the bright lights and electronic display of a 2019 version, "You haven't seen anything yet." Displayed at the event were home versions of the game, including handheld.

Barca said focus groups conducted by the state lottery staff indicated that buyers love nostalgia. "They want to play real games and have lottery tickets that mimic the game play of real games," he said.

Barca said the choice of Skee-ball reflected the desire for the lottery to partner with Wisconsin companies and "have that state flair." He said he was also impressed by the energy and innovation at Bay Tek, vowing to take some of the company's ideas and apply them to his department.

Bay Tek reflects some of that state loyalty, pointing out a strong pipeline to groom and hire graduates of University of Wisconsin-Stout's gaming software development program. Kyle Berger, Skee-ball product manager for Bay Tek, also noted that the company sources most of its components locally.

The secretary said the first issuance of Skee-ball tickets in 2015 sold close to 1 million tickets in 12 weeks and accounted for 18% of all non-crossword puzzle tickets sold during that time. He added 12 weeks is the typical duration of a scratch game for the lottery.

ORDINANCE NO.: 1976

THE COMMON COUNCIL OF THE CITY OF SHAWANO, WISCONSIN, DO ORDAIN that CHAPTER 11, HEALTH AND SANITATION, SECTION 11.10 CONTROL OF WEEDS, GRASS AND PLANTS, (1) Mowing required and (3) Exemptions are hereby repealed and recreated as follows.

§ 11.10 Control of Weeds, Grass and Plants.

(1) Mowing required. No person owning property within the City shall permit any weeds, grass or plants to grow to a height exceeding six inches. Any such weeds, grass or plants exceeding said height are hereby declared to be a nuisance. In order to prevent such growth, it shall be the duty of every property owner to mow or cause to be mowed upon his or her premises all such weeds, grass and plants exceeding six inches in height. It is the property owner's responsibility to maintain all grass, weeds and plants in any abutting street right of way.

(3) Exemptions. The following shall be generally exempt from the foregoing mowing requirements:

- (a) Trees.
- (b) Bushes and shrubs.
- (c) Flowers.
- (d) Other ornamental plants.
- (e) Fruit and vegetable gardens.
- (f) Agricultural crops.
- (g) Undisturbed wooded lots.
- (h) Where no lawn exists.
- (i) Unimproved real estate, which is not subject to development plans, site plans or building permits of the City.

This Ordinance shall take effect upon passage and publication as provided by law.

OBITUARIES

Gladys J. Stezenski

Gladys J. Stezenski, 89, of Shawano, passed away Wednesday evening, Aug. 14, 2019, in Shawano.

She was born Oct. 8, 1929, in the town of Richmond, a daughter of the late Emil and Ruth (Martens) Gueths. She was baptized and confirmed at St. Jakobi Lutheran Church, town of Richmond.

Gladys graduated from Shawano High School in 1947 and studied various subjects at University of Wisconsin-Green Bay to enhance her education. She also took many classes that she found interesting from Northeast Wisconsin Technical College. On Oct. 25, 1947, Gladys married Joseph Stezenski at the St. Francis Solanus parsonage in Gresham. Gladys was a good and faithful member of St. James Lutheran Church in Shawano.

She served in many organizations, including the Shawano Lake Ladies Golf Association where she was a past president and treasurer; past president of Tabitha at St. James; secretary-treasurer of the Shawano Women's Bowling Association; past president of AARP Chapter 186; and as a 4-H leader when her first three

children were growing up.

Gladys was also vice president of the Shawano County Nutrition Council; a board member of the Shawano Senior Citizens Commis-

sion; a leader of Board of St. James Outreach; a charter member of the St. James Stephen Ministers and St. James Finance Committee; served on the United Way Board as treasurer and headed up the Door to Door Campaign; corresponding secretary of Shawano Business and Professional Women's Association; member of Shawano Medical Center Ladies Auxiliary, Commission on Aging, and the Shawano Civic Center Board; and a member of the Navarino Nature Center where she was active in the crane count.

In 2006, Gladys was nominated as a Shawano County Living Treasure and Shawano County Senior Citizen of the Year.

Gladys worked part-time at Ar-

onson's Men's and Boys Wear, then went to work at Consolidated Badger (Morning Glory/AMPI) for 32 years. Because she loved to work and be active, she went to work at Genex/CRI for over seven years. Gladys truly loved her work.

She was an avid fan of the Milwaukee Brewers and the Green Bay Packers, and any golfing events. She loved to golf and bowl. Gladys loved to plant trees, flowers and veggies, just so she could see the progress they made through the years with the Lord's help. She took up many hobbies in her free time, such as knitting, crocheting, basket weaving, quilting, and lastly, word and jigsaw puzzles.

Survivors include her children, Greg Stezenski, Sue (Jerry Eggert) Fletcher, Deborah (Mark Braun) Stezenski and Jeff (Sally Huntington) Stezenski; three grandchildren, Rick Stezenski, Shawn Fletcher and Sara (Shaun) Gartner; four great-grandchildren, Amanda and Emily Stezenski, and Dylan and Benjamin Gartner; and several nieces and nephews.

She was preceded in death by her husband, Joseph, on Oct. 17,

2007, and her brother, Walter (June) Gueths.

A funeral service for Gladys was held Monday, Aug. 19, 2019, at 11 a.m. at St. James Lutheran Church in Shawano. Pastor Steve Schauder officiated. Entombment was at the Sacred Heart Mausoleum. Visitation took place Sunday, Aug. 18, 2019, from 5-8 p.m. at Mickelson Funeral Service in Shawano, and continued Monday morning at the church from 10 a.m. until the time of service.

In lieu of flowers and plants, memorials in Gladys's name are preferred to the Navarino Nature Center and St. James Lutheran School.

Mickelson Funeral and Cremation Service of Shawano is assisting the family with arrangements. Please share online condolences at www.mickelsonfs.com.

The family would like to give special thanks to the caring staff at Shawano Health Services and ThedaCare Oncology.

Elfriede W. Michallek

Elfriede W. Michallek, 82, of Gresham, passed away Friday, Aug. 16, 2019, in Appleton. Elfriede was born May 17, 1937, in Germany, to the late Hans and Therese (Breuer) Bruns.

She enjoyed sewing quilts, knitting and crocheting, going to quilting shows, traveling to Germany to visit family, gardening and collecting dolls and stuffed bears. Elfriede belonged to the Shawano Quilting Club and volunteered at ThedaCare's Auxil-

iary, sewing pillow pals for patients.

She loved her family and enjoyed spending time with them, especially her grandchildren and great-grandchild.

Elfriede is survived by her daughter, Marita Vrba; her granddaughters, Danielle and Christine Vrba; great-grandson, Greyson Beyer; brothers, Kurt and Karlheinz Bruns; and is further survived by nieces, nephews, other relatives and friends.

She was preceded in death by her

parents, Hans and Therese Bruns; and her brothers, Herbert, Hans and Helmut Bruns.

A memorial service for Elfriede will be held at 11 a.m. Thursday, Aug. 22, 2019, at Swedberg Funeral Home in Shawano. Visitation will be held at the funeral home from 9:30 a.m. until the time of service. In lieu of flowers, the family requests memorials be directed to the American Breast Cancer Association.

Ramona Oshkosh Wheelock

Ramona Oshkosh Wheelock, 87, of Neopit, passed away Monday, Aug. 12, 2019. Ramona was born in Keshena on Sept. 17, 1931, daughter of the late Roland and Catherine (Waukau) Oshkosh. On July 26, 1953, she was united in marriage to Robert Wheelock at St. Anthony Catholic Church in Neopit. Robert preceded her in death in 1989. Ramona enjoyed going to the casino, playing bingo, riding in the woods and spending time with her family.

Ramona is survived by two children, Wayne Wheelock Sr. and Wesley Wheelock; numerous grand-

children and great-grandchildren; two siblings, Rowena Oshkosh and David Oshkosh; numerous nieces, nephews, other relatives and friends.

She is preceded in death by her husband, Robert; a son, Warren Wheelock; a grandson, William Wheelock; her parents; and siblings, Roberta Robertson and Ronald Oshkosh.

In accordance with her wishes, Ramona will be cremated, and a memorial service is being planned for a later date.

Stuck to host town hall meeting in Shawano

State Rep. Amanda Stuck will hold a town hall meeting on Aug. 23 from 5-6 p.m. at the Shawano Civic Center. Stuck, an Appleton Democrat, is challenging U.S. Rep. Mike Gallagher for the Eighth Congressional District seat.

Stuck was first elected to Wisconsin's 57th Assembly District in 2014. She was re-elected in 2016 and 2018.

She lives in Appleton with her husband and four children.

Stuck has joined other Wisconsin Democrats in speaking out against the state's deal with Foxconn Technology Group. She recently co-authored legislation to ban conversion therapy and establish a loan fund to support paper mills. Her campaign is focusing on health care costs, including prescription drugs; and the job market.

Gallagher, a Green Bay Republican, was first elected to Congress in 2016.

Pedestrian bridge over Pigeon River reopens

Walkway could be replaced years down the road

By **GRACE KIRCHNER**
Correspondent

CLINTONVILLE — The walking bridge over the Pigeon River that connects the parking lot at the Clintonville Community Center at 30 S. Main St. and the parking lot of the shopping center at the corner of West 12th Street and South Main Street reopened Wednesday.

The bridge had been closed since July 2017 when an assessment found the fencing to be unsafe. Additional fencing has been added.

City Administrator Sharon Eveland has said that she knows the bridge is important to the community, and she had a lot of calls about it.

Alderman Jim Supanich said that, in the long term, the city is probably looking at a replacement. He is looking at a riverwalk development in that area that could include the bridge, but that

The popular walking bridge was reopened Wednesday and the closed signs were removed. On hand for the opening are, from left, Mayor Richard Beggs; interim street manager Mike McCord; Erin Wisneski, an employee of Erickson Pharmacy; City Administrator Sharon Eveland; and Alderman Jim Supanich, a member of the city's street committee.

GRACE KIRCHNER

might not happen for several years.

The Common Council had approved spending up to \$10,000 to repair the bridge. The money came from the capital account.

Mayor Richard Beggs said the pedestrian bridge was important to Clintonville, and the city has to stop shutting things down and not reopening them.

"We have to start adding back to our value to our overall appearance," he said.

The bridge will be inspected every year for deterioration.

Hydrangea heaven

Late-summer blooming plants quite hardy in Wisconsin environment

Late summer and early fall are peak hydrangea bloom season for many varieties in our area. The panicle hydrangeas, especially, peak in color now as late August arrives. Many of them begin to blush in shades of pink and red during late summer, becoming more attractive each and every day as they continue their chameleon-like transformation.

The panicle hydrangeas — those that resemble ice cream cones in flower form, rather than the large mop head or delicate lace cap — are among the toughest and easiest to grow hydrangea varieties. These include classics such as Vanilla, Strawberry, Quickfire, Pinky Wink, Limelight and many more.

Some of the mop heads, or smooth hydrangeas are also looking beautiful

right now. Many of the newer pink and red hybrids of the classic Annabelle are in full flower, beautifully displaying these gorgeous colors.

Other hydrangeas, such as Lime-light, Little Lime, Bobo and others are really showing off their stunning green coloration as summer nears its end.

All of these hydrangeas are especially well-suited for gardens here in our area. They are all quite hardy and respond well to heavy pruning. This can be done either in the fall or, preferably, during late winter or early spring allowing the beautiful and artistic flower heads to remain standing for winter beauty during this snowy season.

Trickier for northern gardeners are the big leaf hydrangeas. These include the popular Endless Summer, as well as many of the hybrids that have been created in many different colors. These plants require a bit of extra care during the winter season. Mulching, covering, protecting the buds on these varieties that bloom on old wood are all vital in ensur-

ing a healthy and productive plant. Because they bloom on the previous year's wood, it is important not to prune big leaf hydrangeas during fall.

Enjoy the spectacular transformation of summer hydrangeas into the fall season as they bloom in gorgeous coloration before beginning to turn golden brown with the first frosts of early autumn.

As a bonus, fall is the perfect time for planting hydrangeas and other

shrubs in the garden and landscape. This allows plenty of time for them to establish themselves before cold weather sets in and the ground freezes. Select a few varieties at your local garden center or nursery and enjoy these amazing, decorative shrubs for many years to come.

CLOTHESLINE CONVERSATION

Fair time means fun time

Soon, local longtime fair goer Erv Bartz will be proclaiming, "There's a fair in the air." Opening day is Aug. 28.

The earliest records of the Shawano County Fair appear in the Sept. 5,

1874, issue of the Shawano County Journal. "Fifteen acres of land was leased on the farm of John Wians for the very low price of \$50 per annum. J.M. Robinson has been appointed to superintend the work of fencing, building

LORNA MARQUARDT

sheds, and of constructing a trotting course."

In October 1882, the Shawano County Journal reported, "The exhibition consisted of four-horse wagons, a full-blooded Jersey bull, full-blooded Berkshire pigs that were daisies, a yearling colt, and a display of vegetables good enough to convince the most skeptical that Shawano County can produce the best of vegetables.

"Also on exhibit were harness, millinery, stoves and tinware, and showcases of fancy soaps and perfumery. Gus Wurl of Belle Plaine and a graduate of Oshkosh Business College exhibited fine specimens of his own pen and pencil drawings and penmanship. Sewing machines were on display. Fred Remick, the agent for the Kimball organ, gave impromptu concerts during the day."

The Shawano County Journal reported, "Despite the grand success financially and otherwise of the 1882 fair, the directors felt there should have been greater participation by farmers." It was decided a new location was necessary.

In 1883, the executive committee acquired a tract of land from Herman Naber on the south side of Green Bay Street containing some 32 acres for a fairground. The ground was level with plenty of good water and shade for the cattle.

The Oct. 11, 1883, issue of the Shawano County Advocate reported, "Never before in the history of young and progressive Shawano was our town so completely filled with amusements of every kind; shows, theatres, dances, horse races, as during Fair week."

Today, local businesses profit from the influx of visitors during fair week. It is the time of the year the nonprofit

groups raise money for their annual budgets, and area youth proudly display their projects/animals.

Like many others, I am fair enthusiast too. I started attending the fair decades ago when I was a young girl. I stayed at Grandma and Grandpa Robenhagen's during fair time. I was allowed to keep a few dollars from my bean picking money to attend the fair.

My aunt, Elaine Grosskreutz, worked in a cotton candy trailer owned by Reggie Bodart. She always made my cousins and me a huge sugary treat.

I remember winning a Kewpie doll on a stick at one of the games. She was covered with pink feathers. I have seen the same doll on eBay. I wish I had kept mine.

My hubby and I have great memories of taking our two children to the fair. Our son loved the games, and our daughter liked the rides.

Of course, I always make my way over to the bingo tent for a few games. I still smile as I fondly remember Don Schoedel saying "O-66, clickity click," and I-16, oh how I wish."

I remember the first time my son's wife went with us to the Fireman's Stand. It was the first time she ever ate chili with peas. She thought they had been put in the chili by mistake. My son just grinned; he grew up eating Shawano chili with peas.

Buying a fair pass was a good purchase. We have attended the fair for many years and it has more than paid for itself. Currently a lifetime pass costs \$275. It admits the holder, spouse and children up to 16 years of age.

The fair is primarily run by volunteers and area nonprofit groups. This year I am planning on listening to one of Shawano's own, Aaron Wallrich, as he joins his band "Stage Hogs" on the midway stage on Labor Day beginning at 12:30 p.m.

Of course, the food; tasty cheese curds, fry bread, cream puffs, gyros, fries, cheeseburgers, chili, corn dogs, caramel apples and cotton candy keeps people coming back for more.

Then on Monday night, hubby and I will drive by and see the rides being taken down and the volunteers cleaning the stands, and we will look at one another and say, "Let's hope we are both here next year when the fair is in the air."

Question: In what year did radio station WTCH begin night broadcasting?

Lorna Marquardt is a former Shawano mayor.

Eland Day remembers the rails

Selling sweetness for Cub Scout Pack 447 are Chloe Hanson and Roman Johnson. Other pack members were busy selling hot dogs and brats at Eland Day on Aug. 10. Money raised will be used for summer camp.

NOTICE TOWN OF WASHINGTON

NOTICE IS HEREBY GIVEN that the Town of Washington Board of Review will be held on Thursday the 22nd day of August, 2019 from 6 P.M. to 8 P.M. at the Town Hall 189 Hoffman Street, Cecil, WI 54111. Information can be obtained by calling the Assessor's office at 920-846-4250 and would be appreciated.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

1. No person will be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to view the property.
2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact or provide information to a member of the board about the person's objection, except at a session of the board.
3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first 2 hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first 2 hours of the first scheduled meeting.
4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first 2 hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.
5. When appearing before the board of review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.
6. No person may appear before the board of review, testify to the board by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor with all the information about income and expenses, as specified in the assessor's manual under s. HYPERLINK "[http://docs.legis.wisconsin.gov/document/statutes/73.03\(2a\)](http://docs.legis.wisconsin.gov/document/statutes/73.03(2a))" to "Statutes 73.03(2a)" 73.03(2a). Wis. stats., that the assessor requests. The Town of Washington has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court.* The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. HYPERLINK "[http://docs.legis.wisconsin.gov/document/statutes/19.35\(1\)](http://docs.legis.wisconsin.gov/document/statutes/19.35(1))" to "Statutes 19.35(1)" 19.35(1). Wis. stats.
7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.
8. No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s.70.47 (3) (a), Wis. stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

Notice is hereby given this 14th day of August, 2019.

Kara Skariupka, Clerk
Town of Washington

HIGH SCHOOL FOOTBALL

Bonduel's Cole Letter, left, escapes the pocket in a scrimmage against Oconto on Friday in Bonduel. Letter will be looked to as the Bears' offense must replace several impact players from last year.

Bonduel trying to replace playmakers

Marion/Tigerton, Menominee Indian making changes

By **MORGAN RODE**
Sports Editor

BONDUEL — The high school football season is slated to get started this week, and teams are hoping to get their seasons off to fast starts.

Bonduel must replace several impact players if it hopes to make a return to the playoffs. Menominee Indian and Marion/Tigerton are both in similar situations, trying to adjust to a new style of football and have bounce back seasons.

Bonduel

Bonduel is coming off a six-win season that earned the team a spot in the postseason.

The Bears had nine all-conference players, but only two are back this fall.

"We have a lot of new starters this season," said coach James Westrich. "The expectations are always high, but with new players it just depends how long it takes this team to gel."

The defense returns two all-conference selections from last year in senior Tristan Tomashek and junior Isaac Banker. Tomashek was a first teamer as a lineman, while Banker made the honorable mention team as a linebacker.

Also returning varsity experience on that side of the ball are seniors Cole Letter (defensive back) and Brody Wussow, Moises Lagunes and Dylan Burch (linemen).

On the offensive side of the ball, Bonduel must replace its quarterback, two all-conference linemen and its top two rushers and receivers.

Letter is slated to lead the new-look offense.

"Our senior class has a very we focused mindset," said Letter. "We realize that we lost a lot from last year, but we believe in one another and our team as a whole. We come into every practice with a team-emphasized

mentality and work together as one unit."

Banker and Burch will serve as weapons in the passing game for Letter, while Wussow and Lagunes help form the offensive line.

Bonduel will compete in the Central Wisconsin Conference-Large Division, which includes defending Division 6 champions Iola-Scandinavia.

The Bears open the season Friday hosting Coleman and won't open conference play until Sept. 6 at Manawa. The team's homecoming game will come Oct. 18 against Southern Door.

Menominee Indian

After four seasons of 8-man football, Menominee Indian is back in the 11-player game. The Eagles will compete in the CWC-Small.

The team finished with two wins but was competitive down the stretch of last season. Coach Chris Clache is hoping that momentum will carry over to the start of this season.

Clache believes the offensive and defensive lines will be a strength for

the Eagles.

Seniors Hunter Connavichnah and Cole Pecore were honorable mention all-conference players on the offensive line, while senior Alex Waukau was a second teamer on defense. Senior James Peters is also back after missing the 2018 season with an injury, while senior Skye Peters and sophomores Greg Turney and Asenex Turney will help fill the lines.

Senior Tiger Dixon will serve as the quarterback after landing on the honorable mention team last year.

"Our team goal is to win more than half our conference games this year and qualify for playoffs," said Dixon, who also serves as a defensive back. "A lot of people don't believe we can do that, but we aren't here for other people's opinions. We just gotta take one game at a time this year and I'm confident our team will have a great year."

Senior Raymond Fish (wide receiver, defensive back) will serve as a top option in the passing game, while senior Pasen Waupoose (running back, linebacker) will be the featured

ball carrier.

Sophomores Andre Corn, Bryce Dixon and Maurice Waupoose will also serve as weapons on offense while controlling opposing passing games from their defensive back positions. Senior Mariano Lyons (tight end, defensive line) also started last year.

The Eagles get the season underway by hosting Living Word Lutheran on Saturday.

Marion/Tigerton

The Marion/Tigerton co-op will make the transition to 8-player football after a winless 2018 season.

Despite the tough season and transition, coach Lance Litchfield is optimistic.

"We as a staff have high expectations for this season," said Litchfield. "There are more players coming back who have game experience which allows us as coaches to go further in the playbook than years past."

All three of the team's all-conference players are back and headed into their senior seasons. Jared Krueger was a second team pick as an offensive lineman, while Cayden Schoen (defensive line) and Allen Jobe (offensive line) were on the honorable mention team.

Krueger also plays linebacker, while Jobe is a defensive lineman. Schoen

Menominee Indian's Pasen Waupoose, center, carries the football in a game against Gillett in 2018. Waupoose is expected to be the Eagles' top running back this fall.

serves as a running back on offense.

Senior Austin Hoffmann (wide receiver, defensive back) will be another playmaker for the offense, which will be led by quarterback Ethan Scheef. The sophomore will be a defensive

back on the other side of the ball.

Litchfield is also expecting big things from freshman Asher Michaelis (offensive and defensive line).

Marion/Tigerton opens the season Friday hosting White Lake/Elcho.

Bowler/Gresham, Port Edwards and Tri-County will serve as conference opponents for Marion/Tigerton. Each team will play each other twice.

Matt Dale takes over as Bonduel athletic director

Luka Zischka
leaving for Peshtigo

By **MORGAN RODE**
Sports Editor

BONDUEL — Matt Dale was named the new athletic director at Bonduel High School, replacing Luka Zischka.

A year ago, Dale was hired as the Bonduel dean of students for the

MATT DALE

middle and high school. He will continue to serve that role along with taking on the responsibilities of being an athletic director.

Dale previously worked at Alma Center Lincoln High

School, serving as a teacher, head boys basketball coach and athletic director at Alma Center Lincoln High School.

Dale and his wife, Holly, hoped to move east to be closer to family that lived in the Appleton area. So when the Bonduel Dean of Students position opened last year, "it felt like a perfect fit."

"I really like the small town, small school feel of Bonduel. Everybody knows everybody and it's something we (he and his wife) both came from growing up," said Dale. "There's community support and the kids are engaged, either through athletics or other activities. We have a high participation rate and that's something to be excited about..."

Dale said he hopes to keep promoting and encouraging students to become involved in athletics or co-curriculars.

"I'm big on more of the character building, so I think that's something I'd like to incorporate into our athletics. It's traditionally been pretty strong in athletics..."

"I believe our coaches are doing a great job of that, but demonstrating that through community service and being more involved in the community. I've learned that a lot of that is going on so now we are just building those bridges between the community, school and athletic programs so we are all on the same page and are all promoting Bonduel to the best of our abilities."

Dale, who officially took over as the AD on July 1, currently lives in Kaukauna. He has three children, Keaton, Brinley and Madilyn.

Zischka took over as the school's athletic director in 2016. He split the past three years between being the AD and teaching.

He originally started teaching at Bonduel in 2011 and made the decision to step down as athletic director

to be able to teach full-time again. He will serve as a full-time teacher at Peshtigo High School this fall, teaching history, economics and government courses.

While he does not plan to have any involvement in sports when he starts at Peshtigo, "I would expect over time to find myself back fully supporting high school athletics in some capacity."

During his time as the athletic director, Zischka most enjoyed interacting with the student-athletes and watching them work together on the playing surfaces.

During his time in the Bonduel School District, Zischka also was a part of a technology team and social media director. He also served on the Bonduel Village Board.

"The Bonduel community has become my home over the last eight years. My close friends are my colleagues and parents of my students," said Zischka. "Bonduel School District gave me such an incredible opportunity eight years ago by hiring an inexperienced 21-year-old and I could not be more grateful."

HIGH SCHOOL SWIM

Chargers dive into new season

Several experienced swimmers return

By **MOLLY GRETZLOCK**
Intern

WITTENBERG — The Wittenberg-Birnamwood High School girls swim team eyes a successful season this fall with more swimmers on the roster than in previous years.

“Our main challenge continues to be small numbers,” said coach John Rudeen. “I think I will be lucky to have 10 swimmers this year, which fills enough events to be competitive in most meets.”

The Chargers’ 2018 swim season included a fourth-place finish at the seven-team Bay Conference Championship Meet and a fifth-place finish at sectionals. The team had eight swimmers on that roster.

Witt-Birn returns six of those

athletes, including first-team all-conference swimmers Lauren Bahr, Christina Thrun, Isabella Hegewald and McKenna Metropulos.

Bahr and Thrun are seniors, while Metropulos is a junior and Hegewald a sophomore. Bahr and Thrun will try to help lead the younger swimmers on the team.

“Coming into senior year, our main goal is to help out the underclassmen. We are here to look over the freshmen who haven’t experienced a meet at the high school level, and then there are some people who haven’t swam before and decided to come out this year,” Bahr said. “We are just here to guide them and keep our team improving to hopefully make our last season the best season yet.”

Metropulos won the 500-yard freestyle at the conference meet along with helping form the top-finishing 200 and 400 freestyle relays with Bahr, Thrun and Hegewald.

nior Olivia Curley also were big parts of the team’s success last year.

Rudeen expects each team in the Bay to be tough competition. After wrapping up conference action, the Chargers will compete in the Division 2 Wisconsin Rapids sectional.

Witt-Birn opened practice Aug. 13. The team will get its first test of

the season Wednesday, competing in a pentathlon in Colby, where swimmers have to compete in five events to earn a score.

The team’s first home meet at the Darwin Aquatic Center will be Aug. 27 against Clintonville.

HIGH SCHOOL VOLLEYBALL

Witt-Birn expects to contend for CWC-Large title

Chargers return three all-conference players to roster

By **MORGAN RODE**
Sports Editor

WITTENBERG — The Wittenberg-Birnamwood High School girls volleyball team marches into the season with high aspirations.

The Chargers do so with experience on their side, with all but two players back from last year’s team that went 12-28 overall and took third in the Central Wisconsin Conference-Large Division.

“We lost two great seniors last year but have many key players returning,” said Witt-Birn coach Becky Rew. “We were a young squad last year and have learned many things from the up-and-down season. We have a strong group of girls with a lot of experience, so

I expect us to be a contender for the conference title and do well in many of the tournaments that we have on our schedule.”

Back from last year’s starting lineup are seniors Elizabeth Muscha (libero), Marissa Groshek (outside hitter), Kaitlyn Clark (middle) and Madison Schwalbach (right) and juniors McKenna Metropulos (setter) and Emma Herb (middle).

Groshek was a first team all-conference pick last fall. She is ready to give the game all she has in her final high school season.

“I think it will change my mindset a lot because the past three years I have always said, ‘You know we will come back next year and be better.’ But this season, I can’t say that for myself, and it really makes me want to win that much more and show what we can do,” said Groshek.

Muscha and Metropulos were also all-conference picks, each landing on the second team.

“This year, for our team to be successful we need to be commit-

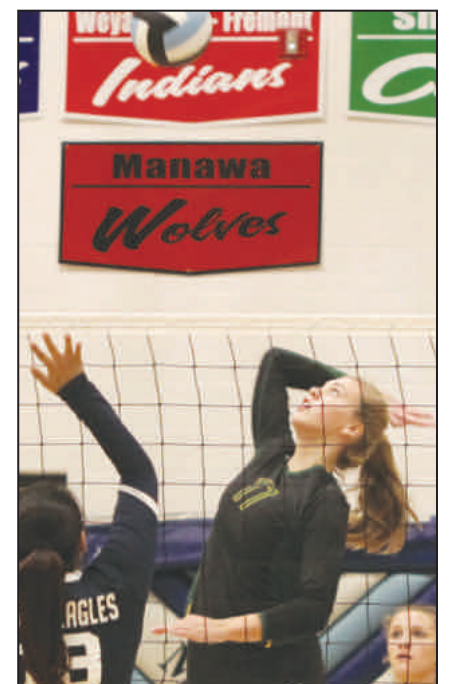

ted and do everything we can to better ourselves and our team as a whole,” said Muscha.

Nicole Kielman (defensive specialist) and Abi Fraaza (middle) will also serve as impact players for Witt-Birn. Kielman is headed into her senior season, while Fraaza looks to get back in the swing of things as a junior after missing all of last season with an injury.

After competing in the CWC-Large, which coach Rew believes will include several strong teams, Witt-Birn will compete in Division 3 for postseason play.

The Chargers will scrimmage at Wabeno High School on Saturday before opening the season at an invitational at Stevens Point Area Senior High on Aug. 27.

The team’s first home match won’t be until Sept. 19 against Bonduel. Witt-Birn’s senior night is Oct. 8 against Weyauwega-Fremont.

Wittenberg-Birnamwood’s hitter Marissa Groshek leaps to spike the ball in a 2018 match against Menominee Indian. Groshek was named to the CWC-East first team last year as a junior. FILE | NEW MEDIA

Shawano/Bonduel striving for better finish in Bay

Both co-op,
Clintonville have
new coachesBy **MORGAN RODE**
Sports Editor

SHAWANO — The Shawano/Bonduel co-op and Clintonville girls swim teams head into the fall season with improvement on their minds and new coaches at the helm.

Both teams will hit the water for their first meets later this week.

Shawano/Bonduel

Gina Monfils is the team's new coach, and she hopes to lead the team to more success within the Bay Conference.

"Our season has started with strong commitment and dedication demonstrated daily at practice," said Monfils. "Therefore, I predict that our overall team grit, drive and determination will assist us in moving up the ranks within our conference."

The team ended the 2018 season by finishing last at the Bay Conference Championship meet before taking 14th at sectionals. But the team is optimistic heading into the season with the return of several experienced swimmers.

Elizabeth Dillenburg heads into the season as the most experienced senior. The team has 10 seniors on the roster.

"I'm very excited for this year," said senior Alexis Ramirez. "I love coach Monfils, and she is really good at what she does. She's really honest with us and loves to take feedback. It's a big change for our team that I think everyone enjoys, and we are excited to see how much better we are going to do at sectionals, in relays and in conference versus last year. I think we can do

much better."

Isabel Colon and Macy Monfils are back after strong sophomore years in the pool.

Sophomore Gabi Bukowski returns after a promising first year of varsity competition. Fellow sophomore Anne Carrier was named the team's most improved swimmer last fall.

Coach Monfils will also be looking for several other swimmers to step up this season. A total of 23 swimmers were on the roster during the first few practices of the season.

"We will be placing some emphasis on stroke development to hopefully increase our number of medley swimmers," said coach Monfils. "A new feature for this year for us as a team is to focus on individual and weekly goal setting, where our athletes learn to critique themselves and to develop goals that go beyond their comfort level."

After competing in the Bay Conference, Shawano/Bonduel will compete in the Division 1 Hudson sectional, a new venue from previous seasons.

The team's first meet comes at an invitational in Wisconsin Rapids on Thursday. The co-op will host its first meet Aug. 29 against Wausau East.

Monfils replaces Hanson

Monfils replaced Sharon Hanson as the team's coach.

Monfils spent the last two seasons as an assistant under Hanson, who was a part of the coaching staff for a total of seven years.

Under Hanson, the team won a conference title in 2012. That year, the team also finished 10th at state, but it wasn't until 2014 that the coach's most memorable moment during her tenure took place.

"We came into that meet (conference championship) in third place," said Hanson. "Not only did every swimmer score, but in order to win,

The Shawano/Bonduel girls swim team puts in laps during practice Monday at Shawano Community High School.

MORGAN RODE | NEW MEDIA

GINA MONFILS

we had to shut down two teams. Our ladies knew who they had to beat within their heat in order to give us the points we needed and eliminate the points the other teams could get. There was strategy through the entire meet, and all my swimmers did just what I told them to do."

"It came down to the last relay with three teams not knowing who would win the meet and who would have enough points to finish with enough points to snatch the championship. Now that was an exciting 400 free relay! I was so proud of my team and how they worked together to win 2014 conference champions."

Hanson, who had high praise for coach Monfils, said she was honored to coach both of her daughters, Ali and Madi, and that she was ready to spend more time with her husband, Gary, as she steps away from coaching.

Clintonville

Robyn Bartal is the new head coach for Clintonville, replacing Stephanie Stilen.

Clintonville finished sixth at the conference meet last year before taking 11th at sectionals.

Sami Smejkal, who was named the 2018 swimmer of the year in the Bay, has graduated. But Clintonville returns several other experienced swimmers to the pool.

Junior Brianna Foth will lead the way. She finished third in the conference in the 500-yard freestyle last year.

Juniors Willow Skar and Kelli Smith and sophomore Bella Koeppen are also hoping for more success representing the Truckers, who will host the conference meet Oct. 31.

Clintonville opens the season Saturday competing in an invitational in Marinette. The Truckers first home meet will be against Marinette on Sept. 12.

The team will then swim in the Division 2 Plymouth sectional.

Words can not express how much we appreciate the expressions of sympathy and all the help provided to us during this difficult time.

Thank you to Father Greg, and the mass servers for the wonderful service.

Joanie & Karla for the beautiful music. The Knights of Columbus for saying the Rosary, and the VFW and the American Legion for the military dedication.

Lisa's at Lakeside for the great meal, Schmidt Schulta Funeral Home for helping with all the arrangements.

The Aspirus Hospital staff for the best care and most of all to our family and friends whose support was unbelievable. Thank you all for keeping us in your thoughts and prayers.

Statewide effort aims to enroll more families in WIC

The Department of Health Services (DHS) today announced the Wisconsin Women, Infants and Children (WIC) program will celebrate National Breastfeeding Awareness Month by launching “#WICsconsin Enrollment Week” from August 19-23. During the week, local WIC agencies will talk about the available breastfeeding and nutrition support services throughout the state for families.

The purpose of the WIC program is to promote and maintain the health and well-being of nutritionally at-risk pregnant, breastfeeding and postpartum women, infants, and children. All 69 local WIC agencies are participating in “#WICsconsin Enrollment Week.” The agencies will share information about nutrition services, breastfeeding support, and eligibility requirements at community events and through social media.

“Wisconsin is committed to addressing the disparities in maternal and child health and the WIC program is at the forefront of our effort,” said Jeanne Ayers, State

Clothesline Conversation Answer: WTCH began night broadcasting in May 1952.

Health Officer and Administrator of the DHS Division of Public Health. “Bringing awareness to this vital program ensures our communities have greater access to breastfeeding support, healthy food, and nutrition education. Our goal is to help more families get the support they need.”

To be eligible for WIC benefits in Wisconsin, a person must meet the following requirements:

Be a pregnant, breastfeeding, or

new mother; be an infant up to age one; or be a child up to age five;

- Be a resident of Wisconsin;
- Be income eligible;
- Have a health or nutrition need.

People can learn more about the eligibility requirements on the DHS website, or call the WIC hotline at 800-722-2295. For local #WICsconsin event locations, updates, and information, follow the hashtag #WICsconsin.
