Landmark pavilion fire in Waukechon under investigation

No cause determined yet for fire that destroyed bar and restaurant

By **TIM RYAN**
Reporter

SHAWANO — Authorities are investigating the cause of the fire early Friday morning that destroyed the Deer Camp and Pavilion bar in the town of Waukechon, though the blaze is not being called suspicious.

The building at N4096 County Road K was fully engulfed when firefighters arrived.

"We're working with sheriff's department investigators and we'll go from there," Shawn Borlace, chief of the Shawano Area Fire Department said.

Borlace said he couldn't com-

ment on where in the building the fire might have started because of the investigation.

"It's just a routine investigation," he said. "We do this on any major fire like this."

Borlace said the fire, which reported just after 5 a.m., was "heavily involved" very early on.

"It will be tough to pinpoint the cause or origin one way or the other," he said.

There were a total of eight fire departments involved in fighting the fire and shuttling water to the scene to fight the blaze.

That included fire departments from Shawano, Pulaski, Bonduel, Clintonville, the town of Navarino,

Cecil, town of Washington and Keshena.

The lack of a water source at the scene complicated matters.

"We have to run water shuttle," Borlace said. "And that's a definite problem on any major-size structure, trying to get enough water to put the fire out. It takes a lot of trucks to haul the water."

Firefighters had cleared the scene by Friday afternoon, but sheriff's investigators were still on site investigating the origin and cause.

The Shawano County Sheriff's Department said there was no additional information as of press time.

Comments sought on Gresham water main project

MADISON — The village of Gresham is an applicant for funding through the Safe Drinking Water Loan Program to address deficiencies in its public drinking water system.

The project includes the replacement of 1,500 feet of water main on Schabow Street from the intersection of Main Street to Industrial Street and 800 feet of water main north on Industrial Street.

Activities related to this project are minor actions under state code, for which no environmental analysis is required; however, in accordance with the loan program's federal requirements, an environmental review must be conducted prior to funding this project. The loan program has determined that the project will not result in significant adverse environmental effects, and

no further environmental review or is needed before proceeding with funding the project.

The Safe Drinking Water Loan Program is soliciting public comments regarding this decision and potential environmental impacts of this project. Written or verbal comments are encouraged by contacting Kevin Olson, Community Financial Assistance, Department of Natural Resources, CF/2 101 S. Webster St., P.O. Box 7921, Madison, WI 53707 or calling 608-266-9955 by Sept. 26.

Based on the comments received, program administrators may prepare an environmental analysis before proceeding with the funding. The analysis would summarize the Department of Natural Resources' consideration of the impacts of the project and reasonable alternatives.

Clintonville parents learn how to talk to teens about vaping

CLINTONVILLE — The popularity of vaping has grown explosively among teenagers over the last five years, even though the legal age for buying vape pens is 18.

According to figures from the Centers for Disease Control and Prevention, 38% of high schoolers and 13% of middle schoolers have tried vaping at least once.

To help reverse this trend, an informational session on vaping was held last month at Clintonville High School.

"We realize that vaping/juuling is an epidemic not just at Clintonville High School, but all over the nation," said Kim Bakeberg, associate high school principal. "We are trying to be proactive and educate parents."

Parents who attended the Aug. 28 meeting watched a video on the harmful effects of vaping. They were also given a handout with the following tips on talking to teens about vaping:

- Don't lecture: Going on and on

about the harmfulness of vaping will likely compel your teen to keep his or her use a secret.

- Be open to the conversation: Not all teens will try vaping, but it's worth having a conversation if you suspect yours might.

- Try to understand why your teen is vaping: Teens can be tempted to vape to avoid being bullied or get a break from the rigors of the school day. They also might succumb to peer pressure. Once parents get an understanding of why their teen might be drawn to vaping, then they can begin to address their teen's vulnerabilities and build resilience to counterbalance it.

- Get outside help: If your teen has developed a nicotine habit in any form, it may be time to have a pediatrician or therapist talk with them. Parents can also call the CDC's national tobacco quit line, 800-784-8669, for guidance from professional counselors.

Downtown businesses tap RDA funds for building improvements

By **TIM RYAN**
Reporter

SHAWANO — Two downtown businesses were given the go-ahead by the Shawano Common Council last week to tap redevelopment authority funds for improvements to their buildings.

The council approved an amendment to its development agreement with Cornerstone Chiropractic and Wellness to allow for environmental testing to be done at the building it plans on moving into at 153 S. Main St.

City Administrator Eddie Sheppard said the only change to the agreement was covering half the cost of environmental testing that had been requested by the lender that Cornerstone is working with for financing.

He said environmental samples taken so far appear to have been good and Cornerstone is expecting to close on the property on Sept. 27.

Cornerstone plans to remodel and renovate the property at a cost of about \$863,000, including purchase of the property, demolition and construction, medical equipment and an operating line of credit, according to the original developer's agreement.

The value of the property, currently assessed at \$150,000, is expected to increase to between \$435,000 and \$590,000.

The Redevelopment Authority

is providing Cornerstone with an \$80,000 grant using funds from the city's Tax Incremental Finance District 4, according to the agreement.

The grant is subject to "substantial completion" of the project and documentation of Cornerstone's actual investment in the project. The agreement also calls for the RDA to provide Cornerstone with a low-interest loan of \$175,000 that would be paid back over the next 10 years.

Two other development agreements were approved last week with Dreier's Pharmacy and Central Wisconsin Black Belt Academy.

Dreier's plans to improve the facade of its building at 117 S. Main St. and remove blight. The total cost of the building improvement is estimated at \$38,885.

Under the agreement, the RDA will provide Dreier's with a \$12,500 grant toward the project using money from the city's Tax Incremental Finance (TIF) District 4. Dreier's also received a facade improvement grant from the Business Improvement District of \$5,000.

The Black Belt Academy at 141 S. Main St. plans to renovate the building's interior and also eliminate blight.

That project is expected to cost \$29,580 and will include remodeling such as a new drop ceiling, lighting, fans, duct work, heating, cooling, and flooring.

Notice Town of Elderon

Town of Elderon Notice of Public Hearing on the proposed boating ordinance on Pike Lake will be held on Tuesday October 15, 2019 at 7:00 pm at the Town of Elderon Community Center.

School board approves latest bid package

Referendum projects move forward on budget

By MIRIAM NELSON
News Editor

WITTENBERG — The Wittenberg-Birnamwood School District board on Sept. 12 approved bids totaling over \$5.65 million for construction at the high school and two elementary/middle schools. Bids for the second phase of projects approved by voters in November as part of a \$13.1 million referendum came in on budget for the bids collected so far.

Matt MacGregor, project manager for Hoffman Planning, Design & Construction Inc., told the board he was pleased with the bidder turnout

BY THE NUMBERS

for this phase of construction.

This phase of the referendum project includes a new 7,800-square-foot building — primarily for agriculture classrooms — next to the high school, a two-story addition to Wittenberg Elementary-Middle School and two new classrooms at Birnamwood Elementary-Middle School.

Three 900-square-foot classrooms will be added at Wittenberg Elementary-Middle School and two 1,200-square-foot classrooms at Birnamwood. Both buildings will be

reconfigured to provide more classroom space for the music program.

According to MacGregor the goal for this meeting was to qualify site, structure and building related packages to be able to get the structures up and enclosed along with the projects that require a longer time to complete.

There will be other bids, which need to be qualified before presenting to the board for approval including finishes, flooring, structural steel, and case work projects.

Plans are set to have all the rest

of the bids in for the board to approve by the end of October.

Three projects that received no bids were for polish concrete, epoxy floors, and asphalt paving. Hoffman Planning, Design & Construction Inc., will continue to try to get contractors interesting in bidding for those projects.

Groundbreaking for the ag building is scheduled for Wednesday at 5:30 p.m. on the east side of the high school building.

Oktoberfest is coming back to Marion, if the Pigeon River Brewery has anything to say about it.

Nathan Knaack, Pigeon River owner, said he is trying to bring back what used to be a popular community-wide event. For the third consecutive year, his brewery and hall hosted an Oktoberfest celebration Saturday.

The event featured music, games, food, free activities for kids, a few German costumes and lots of beer.

The festivities were held in a tent outside the brewery and brew pub, with a community craft fair inside the hall.

“We want to get people out,” Knaack said.

Last year, about 750 people attended, and he estimated as many as 1,000 attended this year.

Samantha Malitz, Shawano, sends a bean bag toward a hole at the Pigeon River Brewery's Oktoberfest on Saturday. Malitz celebrated her birthday by attending the event. She was playing against Dean Simon, who — despite his opponent's birthday status — soundly outscored her.

The hat says “Old Style,” but the venue was the Pigeon River Brewery as the brewery hosted Oktoberfest on Saturday. LiveWire got some attendees dancing polkas and raising a glass of beer, water or soda in honor of the fall event.

Walks address tribal health issues

Suicide, diabetes brought to light

By **CAROL RYCZEK**
Editor

KESHENA — To solve a health problem, you first have to be aware that it exists.

The need for awareness sparked two community walking events Saturday. The Menominee Native Connections, a Zero Suicide program, sponsored a color walk, while the Stockbridge-Munsee Tribal Health Center's Community Health Department sponsored its 18th annual diabetes awareness walk.

Though each program deals with different types of health issues, bringing information and awareness to light was a driving force for both events.

The color walk followed a short

course on the roads around the Menominee powwow grounds. At several stops along the way, the walkers got doused with powdered colors. By the end of the walk, their white T-shirts were covered in color.

Lori Besaw, Native Connections coordinator who works with youth services, said the upbeat nature of the walk was a way to make it possible to talk about suicide. She and Lindsay Besaw were among the organizers of the walk for Native Connections.

"September is Suicide Awareness Month," she said. "We wanted to start by bringing awareness to the community in a fun way."

She said the white shirts — printed with the message "I matter" on the front and "You matter" on the

back — capture the essence of the event, which is to prevent suicide.

Suicide rates for Native Ameri-

cans nationally are higher than for other populations, she said, at 139% of the national average rate.

Woody Davids and Jermain Davids enjoy a diabetes-friendly meal after Saturday's walk for diabetes at the Many Trails campground near Bowler. The pair has been participating in the walk since it began 18 years ago.

CAROL RYCZEK | NEW MEDIA

"The issue is here. We hope this will kind of take away the stigma," Besaw said. "Here, this is something we can talk about and not let it get swept under the rug."

About 155 walkers participated, plus volunteers at the stations, she said. The event was a collaboration between several entities on the Menominee reservation, including police, youth services, housing services, clinic and a suicide prevention grant.

While white T-shirts were featured at the suicide awareness walk, those participating in the diabetes awareness walk wore green. Organizers said the color was chosen to reflect the deep green trees along the walking route, which started at the Many Trails Park on the Stockbridge-Munsee Reservation near Bowler.

Whitney Schreiber, diabetes nurse educator at the Stockbridge-Munsee Tribal Health Center, said the walk helped to promote the 30 minutes per day of physical activity that supports good health and helps prevent adult-onset diabetes.

"It is about education," Schreiber said. "This year we did signs on, 'A lot you might not know about diabetes.'"

She said about 150 participants were expected for this event.

As with suicide rates, Schreiber

said national diabetes rates are higher for Native Americans than other population groups.

The good news, she said, is that the Stockbridge-Munsee community is eager to get information and will attend informational sessions at the clinic. They also come to the walk as families, she said.

After the walk, participants were invited to join a diabetes-friendly breakfast of oatmeal, hard-boiled eggs and fresh fruit.

Woody and Jermain Davids, who participated in the walk, said they have been attending every year since it began. They don't have diabetes and want to keep it that way.

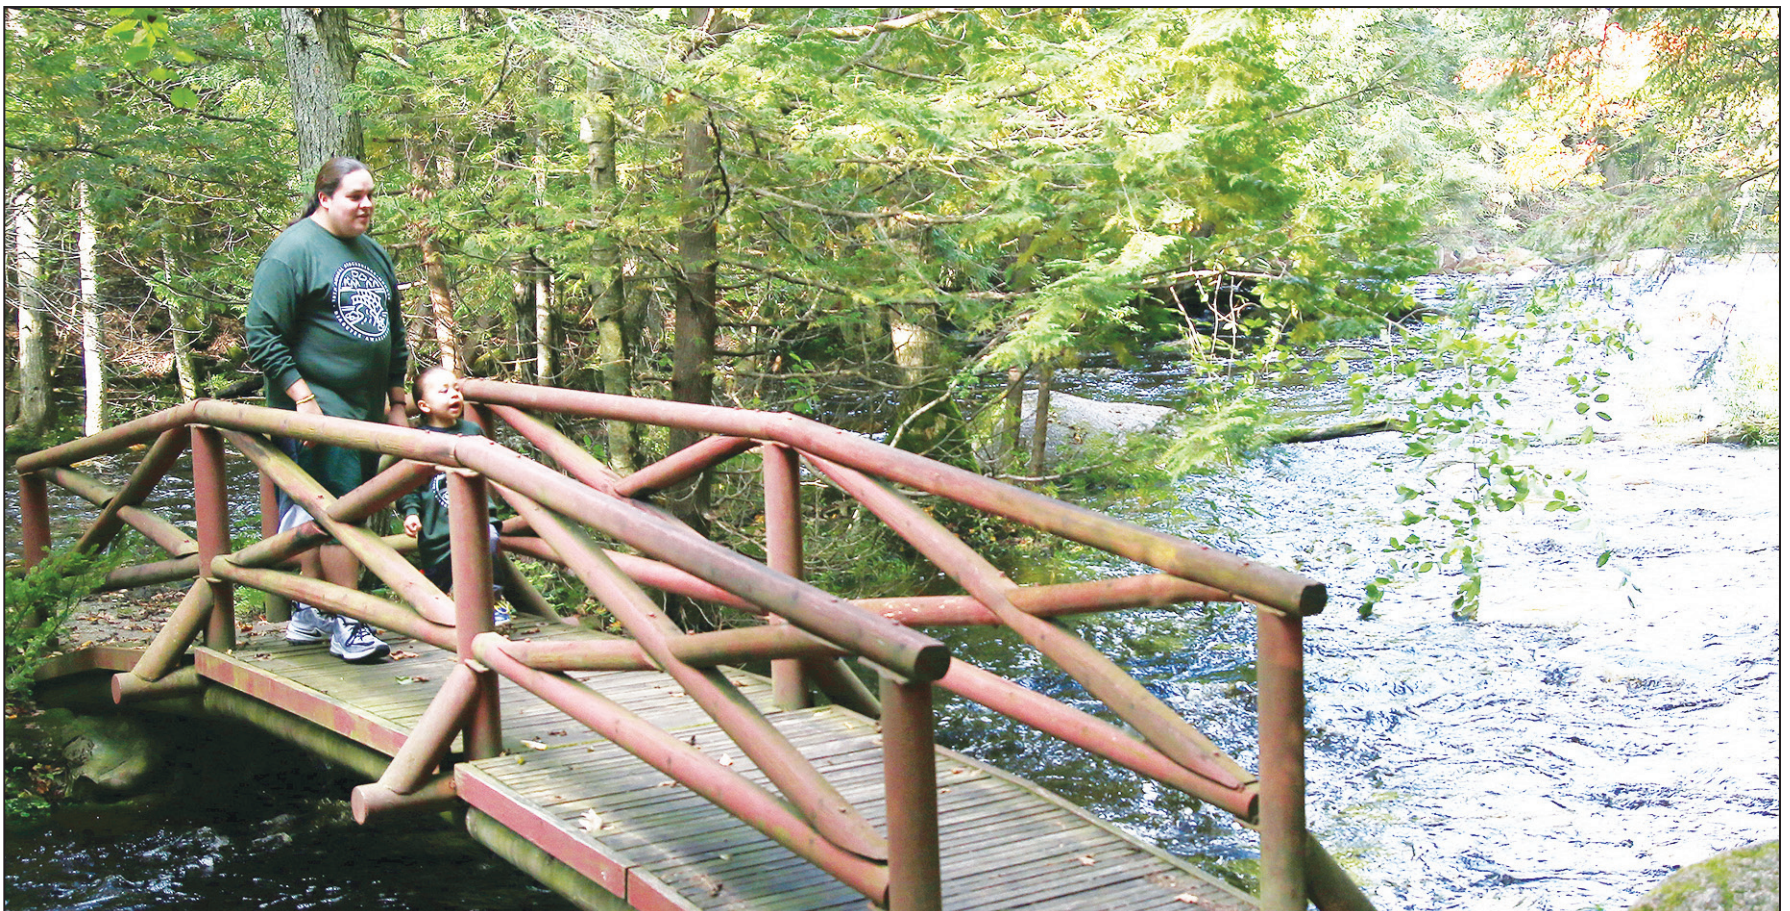

"Pre-diabetes, they call us," Woody Davids said. "Diabetes is in the family. Her family, too," he said of Jermain.

They try to stick to diet and exercise recommendations, but they admit they aren't always able to follow them as well as they would like to. Walking, though, is something that they make time for.

Woody Davids is a kidney donor, and he is aware that he is asking one kidney to do the work of two.

"You have to take care of yourself," he said, of being a donor. "You do a lot of walking."

Collin Church, Bowler, helps Cairo Church cross a bridge at Many Trails campground Saturday. The bridge was a bit off-course, but the scenery made it tempting to take a short detour from the designated trail of the annual diabetes walk.

Mom remembered through incredibly delicious recipes

September is one of my favorite months. The cool crisp air is refreshing. I love the smell of hot apple cider and pumpkin pie. Fall is in the air. Soon the leaves will begin to change color. The football season is here. Kids are back in school. The most significant reason I love September is it's the month my mom was born.

LORNA MARQUARDT

The name September comes from the Latin "septen" for seven, since this was the seventh month of the Roman calendar.

September has several birth flowers — the forget-me-not, the morning glory and the aster. Although Mom didn't have a green thumb, she loved flowers. She especially liked morning glories.

The birthstone for the month is sapphire, and is supposed to give the wearer luck. My daughter has the birthstone ring her grandmother wore daily. I have a pair of her sapphire earrings.

Mom loved to cook and bake. She had numerous cookbooks. I shared them with family members, but I kept her small colorful pink, green and yellow recipe box. After she passed away, it took me a long time before I could open the box, years actually.

When I finally paged through the recipes Mother made our family for so many years, the memories overwhelmed me. My tears flowed as I held the handwritten recipe

cards, remembering her standing in the kitchen wearing her apron and holding her favorite wooden spoon.

The first recipe I came across was her recipe for a dressing to put on cherry tomatoes. Seeing it is tomato season, I thought you might like it:

1 tablespoon sugar
1 teaspoon garlic salt
1 teaspoon curry powder
1 teaspoon horseradish
1 teaspoon onion juice
2 teaspoon vinegar
½ cup sour cream
½ cup mayonnaise

Even as a young girl, I always considered my mother's birthday a very special day. In fact, I never missed spending a single birthday with her.

There wasn't always money to buy her something special. One year, when I was a young wife and mother, we had absolutely no extra money for even an inexpensive gift, so I decided to make her a card. I spent a great deal of time cutting out brightly colored words from magazines; words like beautiful, loving, caring, special, etc.

I pasted the colorful words on the card and then I wrote a special poem for her. One of her friends told me Mother was so proud of the card, she took it to her bridge club to show her friends. Apparently, Mom knew how much love went into that card. When she passed away, I found the card in a dresser drawer. She saved it all those years. I sat on her bed and cried, but it was a good cry.

One year, when I was going to Marion to take her out to lunch for

her birthday, a big buck jumped out of the ditch into the side of our Blazer. It did a great deal of damage. I remember I couldn't get out of the driver's side door. I walked to a farmhouse and they let me use their phone to call my hubby.

The first thing I said to him was, "I didn't hit the deer, he hit me." Of course, my hubby wasn't buying it. Even though our car was badly damaged, he was kind enough to take me to Marion in his old truck. He knew how much spending time with Mom on her birthday meant to me.

As I paged through her recipe box, I found a recipe for Apple Bake. It is a simple recipe. Mom loved recipes with apples. This is the recipe I will make in honor of her birthday, Sept. 25:

2 cups flour
1 cup margarine
2 tablespoons sugar
Mix and press into the bottom and sides of a 9X13 pan.
Fill crust with apple slices.
Place 1 cup sugar over apples.

If you are lucky enough to still have your mom, I hope you will cherish her and let her know you love her. You will never regret spending time with her. Once she is gone, those memories will be very precious to you, this I know.

Mom,

Your love and laughter filled my heart with a million moments of joy. The very thought of you makes me feel loved. I catch myself doing something and then I realize it was you who taught me how to do it. We shared a bond I will always hold dear. Happy birthday in heaven, Mama. Until we meet again...

THE GARDENING YEAR

Sedums are flowering succulents that put on a breathtaking fall show in shades of pink, red and white.

ROB ZIMMER

Because they are in the succulent family, sedums should be planted in dry, sandy locations with full sun.

ROB ZIMMER

Sedums blossom beautifully

Succulents work well with perennial, annual plants

Some of the busiest plants in the garden now in mid-September are the beautiful sedums. Members of the succulent family, sedums bloom late in the season, providing plentiful pollen and nectar for fall butterflies and bees, as well as other pollinators such as hummingbirds.

Sedums peak in bloom right about the time that monarch butterflies and hummingbirds are migrating south, making them a popular choice for these creatures on the move. Late season pollen sources are also important

for honeybees, as well as native bees such as bumblebees, mason bees and others.

Blooming after Labor Day, often even past Halloween, depending upon the weather, these plants are an excellent choice

for the garden, and they work well with many other popular perennial and annual choices.

Pairing wonderfully with ornamental grasses, black eyed Susan, Russian sage, as well as late blooming annuals

Sedums are an excellent companion plant for other late season blooms such as black eyed Susan, Russian sage, as well as annuals like zinnias, cosmos and marigolds.

like zinnias, cosmos, marigolds, moss roses, dahlias and others, sedums are excellent companion plants in the garden, providing an exceptional fall showcase.

As many of our ornamental grasses begin to change to vibrant colors during the fall season, The beautiful coloration, as well as the striking plumes and feathery seed heads combine to create an attractive combination with the large, flowering clusters of sedum in pink, rose and red.

There are many varieties of sedums to choose from. Some are spreading and creeping, growing no more than a few inches off the ground. Others are upright and may grow two feet in height. There are sedums with colorful foliage, as well. Foliage may be found in shades of green, blue, turquoise, maroon, near-black, as well as variegated in green and white or pink and white.

Gardeners often discover that certain sedums “flop” over creating a bare spot in the middle of the

plant. This is a common issue with sedums in the garden. However, it is usually caused by incorrect

placement in the garden.

Since these are succulents, they need to be planted in dry, sandy or

gravelly soil. Gardeners who plant them in soil that is too rich or loaded with compost will often find that the plant will wilt or flop over. Sedums do not do well in rich soil. They actually thrive in poorer soils than most garden plants, Breaking many traditional gardening rules. Too much water will also cause this condition. Sedums thrive on low amounts of moisture.

Each year, plant breeders introduce new varieties of sedum for gardeners to choose from. The latest trends in sedum hybridization include taller plants that resist toppling, as well as richly colored foliage in red, maroon and black. Darker flowers are also popular, so plant breeders are creating more varieties in shades of true red. Variegated foliage in contrasting green and white is also a popular hybridizing trend.

Enjoy browsing in the selection of colorful and vibrant sedum at your local garden center and pick a few to add it to your garden this fall for years of beauty in September.

Packers top Vikings to move to 2-0

Green Bay offense starts fast, defense preserves win

By MORGAN RODE
Sports Editor

GREEN BAY — The Green Bay Packers started fast before holding on late for a 21-16 win over the Minnesota Vikings at Lambeau Field on Sunday.

The win moved the Packers to 2-0 on the young season, giving them sole possession of first place in the NFC North.

"It's big, it's definitely big. I mean, the division is everything. We've got to control the North and make sure we bring the North back home. So to start off 2-0, that's definitely where we want to be right now," said Packers receiver Davante Adams.

Green Bay scored all three of its touchdowns in the first 16 minutes of action before the offense fizzled out. The Packers' defense saved the day for a second straight week though, forcing four turnovers to seal the win.

Green Bay came out of the gates strong, putting together a four-play, 75-yard touchdown drive in just 2 minutes, 10 seconds.

The drive started with a 39-yard passing play from Aaron Rodgers to Adams. After two runs from Aaron Jones moved the ball 21 yards down the field, Rodgers hit Jamaal Williams on a screen pass, and the running back powered into the end zone from 15 yards out.

Minnesota also looked to be on its way to points on its first possession, but Dan Bailey missed a 47-yard field goal, setting the Packers' offense up with good starting field position.

The ensuing drive was a bit more methodical, but again ended in a touchdown pass. Rodgers and the offense converted a trio of third-down plays on the drive before Rodgers hit receiver Geronimo Allison for a 12-yard touchdown pass to increase the lead to 14-0 with 3:18 to play in the opening quarter.

Packers running back Aaron Jones, center, scores a touchdown during the team's win Sunday over the Vikings at Lambeau Field.

JIM LEUENBERGER

Minnesota converted on third down on its next drive, with quarterback Kirk Cousins fumbling on the play but an offensive lineman recovering the ball to extend the drive. The very next play, Packers defensive lineman Kenny Clark pressured Cousins, causing a fumble that was recovered by fellow defensive lineman Dean Lowry to give the Packers another short field to work with.

Green Bay took advantage, with Jones scoring from two yards out to make the score 21-0 in favor of the hosts.

Minnesota flipped the momentum of the game on its next drive, as running back Dalvin Cook broke a couple tackles and sprinted 75 yards down the field for a touchdown.

The Packers looked to regain control on the next possession, as a defensive pass interference put the hosts at the Minnesota 40-yard line and on the move again. But two plays later, Allison fumbled after hauling in a short pass from Rodgers, and the Vikings recovered.

Both defenses then settled in a bit, forcing punts on the next four possessions.

Green Bay forced its second turnover in the game when safety Darnell Savage deflected a pass that linebacker Preston Smith picked off with 4:04 to go in the half, giving the offense another golden opportunity to score before halftime.

After picking up a first down and moving inside the Minnesota 30, Rodgers hit Allison for what he thought was another first down. Rodgers also thought the team got a favorable spot, so he rushed the team to the line to avoid a possible review and handed the ball off to Williams, who was stuffed for a 2-yard loss. To add insult to injury, the original spot was actually short of the line to gain, meaning Williams had been stopped on fourth down instead of first down, giving the ball back to the Vikings.

"I don't make plays like that," said Rodgers after the game. "I always pride myself on having really good clock awareness and game awareness. I just assumed first down based on the spot and I should have just looked and made sure it was first and not fourth, because obviously fourth-and-1, we don't want to run that play."

The Vikings made the mistake sting, driving down the field and converting a field goal. Minnesota looked to have scored a touchdown a few plays before that, but the play was reviewed and an offensive pass interference was called, nullifying the score.

After the halftime break, the Packers' offense continued to struggle, as Rodgers fumbled on a third-down play on the first drive of the half. The turnover set up a 45-yard touchdown pass from Cousins

to receiver Stefon Diggs at the 9:19 mark of the third quarter.

The Minnesota receiver was called for an unsportsmanlike conduct penalty for taking off his helmet after the score, and it proved costly, as the Packers accepted the penalty to set up a longer extra point try and then blocked the kick.

Neither team scored the rest of the game, with the Packers' defense bailing out the offense that was unable to sustain a drive.

The Vikings best chance to score came with about five minutes to play, but Cousins was picked off in the end zone by Packers cornerback Kevin King.

The throw by Cousins was into heavy coverage, but King was expecting a throw because he said Diggs had a step on him.

"No, I wasn't (surprised Cousins threw the ball). I kind of saw it how he (Cousins) saw it, like he (Diggs) had a step on me. It's kind of like, if I was the quarterback, I might throw this. So it was like, let me put my head down and let me go get it."

The defense forced a punt on the Vikings next drive and then shut down Minnesota's lateral play to end the game. Tramon Williams was credited with a fumble recovery on the last play, giving the defense four takeaways in the contest.

"They did a great job," said Packers coach Matt LaFleur on the defense holding up in the fourth quarter. "We stalled a little bit offensively in that second half, couldn't really get much going. They (the defense) were on the grass quite a bit. But to the credit of our guys, they stuck together. We talked about it, sometimes we're going to have some adversity. How do we respond in those tough situations? Our guys stuck together. They didn't blink, and it was a great team win."

Rodgers finished with 209 passing yards, Jones rushed for 116 yards and Adams finished with 106 receiving yards. No other offensive player totaled over 30 yards.

Linebacker Blake Martinez led the Packers' defense with 13 total tackles, while Savage and linebacker Za'Darius Smith each had six.

Witt-Birn runs past Iola-Scandinavia

Gauderman, Gibson, Balliett score touchdowns

By **MORGAN RODE**
Sports Editor

WITTENBERG — The Wittenberg-Birnamwood High School football team earned a key Central Wisconsin Conference-Large Division win over Iola-Scandinavia on Friday, rushing for three scores in an 18-8 victory.

Coming off a 42-0 loss to Amherst in week three, Witt-Birn was hoping to get off to a fast start. The Chargers did just that, putting together an eight-play, 62-yard touchdown drive to open the game.

The hosts ran the ball on every play of the drive, with freshman David Gauderman and junior Austin Gibson sharing the carries.

After Gibson converted a 4th-and-2 run, Gauderman capped the drive with a 2-yard rushing score.

"It was really fun to get some pay-back for last week," said Gauderman, who finished with 82 rushing yards on 20 carries.

"We have high expectations to make the playoffs this year and maybe make a deep playoff run, hopefully."

Gauderman's touchdown turned out to be the only points of a quick first half.

Witt-Birn put together a 17-play drive on its second possession of the contest, but eventually was stopped on a fourth down.

The Chargers' aggressive defense made life tough on the Iola-Scandinavia offense all night. After forcing a three-and-out to start the game, Witt-Birn stopped the visitors on fourth down on the second drive.

A key moment in the game came in the waning seconds of the first half. The Thunderbirds were on their best drive of the half, but ran out of time after the Chargers stuffed a running play at the 3-yard line.

The momentum carried over into the second half, as Witt-Birn forced and recovered a fumble on the opening kickoff, and turned the miscue into points.

The Chargers again ran the ball on every play, with Gibson capping the

drive with a 3-yard touchdown run to bump the lead to 12-0.

"That was a big momentum changer. When we get that fumble on the kickoff, we really needed to score that touchdown," said Gibson.

Iola-Scandinavia had a quick answer, as a busted play turned into a long run to set up a 29-yard touchdown run to cut the deficit to just four.

Witt-Birn responded with an 11-play and nearly six-minute touchdown drive, running on each play.

Gauderman and Gibson led the Chargers down the field before senior quarterback Logan Balliett broke free for a 24-yard touchdown for the game's final score.

"That (answering the touchdown by Iola-Scandinavia) was huge," said Witt-Birn coach Bernard Holsey. "It shows the maturity of our guys and how they just said, 'You know what, that happened but we're going to shake it off and we're going to relax,

go play and score.'"

"It was really big. I think that touchdown really like put them in the coffin," said Gibson, who finished with 96 rushing yards on 23 carries.

Balliett carried the ball 11 times, breaking off a couple nice runs to finish with 91 rushing yards. He attempted just six passes on the night, completing three of them for 22 yards.

Balliett completed back-to-back passes midway through the fourth quarter, with the first pass to sophomore Ben Wesolowski picking up a 3rd-and-5 attempt.

Witt-Birn's defense carried the team to the final whistle, stopping the next possession on fourth down before sophomore Jordan Landowski picked off a pass to end the next drive.

Senior Simon Stewart recorded a big sack on the next Thunderbird drive, forcing the visitors into a 4th-and-long, which they did not convert.

After a Witt-Birn fumble gave Iola-Scandinavia great field position,

junior David Reid recorded a sack on first down to again force a long fourth-down play that the visitors couldn't convert.

Witt-Birn's offense was unable to run out the entire clock, but the defense forced an incompletion on the final play to seal the solid bounce back win.

The Chargers improved to 3-1 overall and 1-1 in the CWC-Large. Witt-Birn will hit the road in week five, taking on Pacelli at Goerke Field in Stevens Point on Friday.

Shawano places third at own invitational

Clintonville comes in sixth

By **MORGAN RODE**
Sports Editor

SHAWANO — The Shawano Community High School volleyball team posted a 3-2 record to take third place at the 45th Shawano Invitational on Saturday.

Clintonville also competed at the invitational, going 2-3 and taking sixth overall. Eight teams were in action.

In pool play, the Hawks finished 2-1, falling to Oconto (25-19, 25-14) before topping Peshtigo (25-16, 25-19) and Clintonville (25-17, 25-19). Shawano then suffered a tough 20-25, 25-12, 15-13 loss to Wausau West before taking down Oconto Falls 25-19, 25-23 in the third-place match.

"We learned (Saturday) that even through injury, we can conquer as a unit," said Shawano coach Breanna Young. "We need to continue working on building and keeping momentum, keeping our focus."

"We were so close in the cross-over match (against Wausau West) to get to the championship game," Young added. "We just need to learn to buckle down and go for it. We need to trust the process and take the next step."

On a day where the Hawks played five matches, several athletes made impacts to help Shawano place third.

On the day, Shawano senior Abi Vomastic finished with a team-leading 27 attack kills. Junior Rachel Reed added 18 attack kills, while senior Baylie Hansen had 17. Senior Katelyn Wilber chipped in eight attack kills.

"We did a lot of positive things,"

Reed said. "Our serve receive was one of the most positive things. We really have been improving on that and have worked very hard in practice to do so. Also, our defensive coverage is getting faster and better."

"In the game of volleyball, errors are made and that's how you score points. Whichever team at the end of the day has less errors always wins. We are working to be the team that has less errors."

Wilber and freshman Alixandrya Heath set up the team's attackers all day, posting 29 and 28 assists, respectively.

Sophomore Margo Gull led the team with 34 digs, while Wilber had 27. Reed finished with 12 digs, and sophomore Brianna Wright and Heath each had 11. Sophomore Isabel Daniel posted 10 digs.

Vomastic, Hansen and junior Avery Dreier each finished with six blocks.

Shawano players combined for 29 service aces on the day, with Wilber tallying nine of them. Vomastic had seven aces, while Gull had three.

"The communication on the court was great today; we all worked as a team and as a whole," said Gull. "The energy on the court and on the bench was outstanding. We need to work on when we have the lead to keep going and not settle and feel satisfied. We need to keep pushing until game point."

In pool play, Clintonville defeated Peshtigo (25-21, 13-25, 15-10) but lost to Oconto (25-12, 25-10) and Shawano.

After a lunch break, the Truckers knocked off Kewaunee (25-21, 25-22) before falling to Peshtigo (25-22, 25-18) in the fifth-place match.

"We learned (Saturday) that our

players are very versatile, and our bench has lots of depth," said Clintonville coach Stephanie Pinno. "Our girls played hard where we needed them to and when we needed them to — even if it wasn't talked about (or on) short notice. We learned how to keep fighting today, too."

In the win over Peshtigo, senior McKinzie Fields and sophomore Josie Colla each tallied five attack kills for the Truckers, while sophomore Jordan Lehman had four.

Senior Lindsay Carpenter finished the match with 16 assists, six digs and three attack kills. Fields also had seven digs and two block kills, while Colla and senior Hannah Baird each chipped in six digs.

In the setback to Oconto, Carpenter tallied six assists and five digs, while Lehman had three attack kills.

"I think when we were on, we are killer. We were in all the right places, had all the right touches and amazing hits," said Carpenter. "As soon as we would mess up in one area, things would soon fall apart. Overall, I find

that our mental toughness and team dynamic could use work, as well as continuing to practice the fundamentals."

Against Shawano, Carpenter had 14 assists and three digs. Colla finished with five total kills, while senior Jennifer Peeters had three.

In their tight win over Kewaunee, several Truckers stepped up. Colla led the team with nine total kills, while junior Autumn Steede had five total kills and served four aces. Lehman contributed four total kills. Baird had nine digs, and Carpenter totaled 20 assists and four digs.

In the final match of the day, Colla posted six attack kills, while Lehman had four. Carpenter ended the match with seven digs.

"We learned that we need to be in a great mental state of mind, to never give up on ourselves or teammates," said Colla. "That with all of the hard work we put in in practice, we need to do (the same) in the game as well."

ATHLETE PROFILE: LAUREN BAHR

Witt-Birn senior helping team to strong start in pool

WITTENBERG — The Wittenberg-Birnamwood High School girls swim team is off to a quick start this season, with senior Lauren Bahr among the individual swimmers racking up the strong finishes.

Coming off a foot injury in the spring track and field season, Bahr was still able to swim to a third-place finish in the senior class at the Colby Pentathlon, the Chargers first action of the fall. Bahr then took first in the senior class at the Marinette Pentathlon on Aug. 24.

Bahr, one of Witt-Birn captains this season, then helped her team to a Bay Conference dual win over Clintonville on Aug. 27, winning the 100-yard backstroke and 100 freestyle, the two events she specializes in.

Q: When did your interest in swimming begin?

A: I've always enjoyed swimming, but I didn't start swimming competitively until sixth grade.

Q: What is your favorite part about the swim season?

A: My favorite part of the swim season is always the last couple weeks because we start tapering. We start tapering after our hardest week of training, so physically you feel great, and then your times really start to improve because we've eased off in practice.

Q: You've been asked to take on more of a leadership role this season. What's that been like for you?

A: I've had a blast being one of the team captains again this year. All of the underclassmen are great girls, so all I have to do is help out every once and a while.

Q: It's been a really strong start to the year for several individual swimmers and the team as a whole. What does the team need to keep working on in order to keep finding success in the pool?

A: Everyone on the team needs to

keep pushing each other to always put our all into practice. It gets long and pretty boring just swimming back and forth sometimes, so you really need to have someone who can hold you accountable and make sure you're at practice with the mindset to work hard and to get stuff done.

Q: How did you prepare for the swim season?

A: Normally, I swim in the club summer season prior to high school season, but I stress fractured my foot earlier this year running track, so I had to come up with a different approach. I couldn't physically get in the water until about a month before the season started, so instead I focused on upper-body and ab exercises, and watched hours of Olympic races to pick out how I could improve my technique. Also, Hannah Flak, a graduated WBHS swimmer who now swims for UWSP, held an optional preseason swim camp that I went to so I could get a couple of solid weeks of swimming in before the season.

Q: What's your favorite memory of competing on the Wittenberg-Birnamwood swim team?

A: My favorite memory is conference my freshman year. I made the top eight in my two individual races, but what really sticks with me are the two relays. My relay teams finished first in both the 200 and 400 free relays, and I was so happy that I had been able to contribute to that.

Q: What are you going to miss most about high school swimming?

A: I'm going to miss everything, which I know sounds cheesy but it's

MORGAN RODE | NEW MEDIA

true. I love how close we all are, even with girls from other teams, and not being a part of high school swim anymore is going to be such a big change.

Q: What is your favorite thing to do when you are not in school or competing in a high school sport?

A: When I'm not in school or competing, then I'm probably busy with another activity. I've been involved in 4-H on multiple levels since I started eight years ago, and it's my next busiest activity after swim.

Q: Favorite TV show, movie and musical artist?

A: I don't watch much TV, and when I do it's either a Packer game or a Brewers game. My favorite movie is "Fantastic Beasts and Where to Find Them," and my favorite artist is Quinn XCII.

Q: Name one thing about yourself that not many people know.

A: I don't think many people know that I actually like kids. For some reason, people think I don't, but I plan on

working with kids in some way later in life, either as a school counselor, a teacher, or as a swim coach.

Q: What's the greatest piece of advice you have ever been told?

A: When I was younger, I was really afraid about not getting good grades in school. My mom (Rebecca) told me that as long as I do my best, she'll be proud of me no matter what. Ever since then, I've always given everything that I do my all, and if I don't then I don't feel accomplished about it because I know I could've tried harder. I apply that to everything I do: sports, school, work, etc., and I think I always will.

Q: What are some things you hope to accomplish after graduating high school?

A: I plan on going to Ripon College and majoring in either education or psychology (maybe both) and minoring in coaching. I also plan on joining their swim team. After that, who knows?

HIGH SCHOOL CROSS-COUNTRY

Shawano teams take fourth at own invitational

Bonduel girls third, boys fourth in D3

By **MORGAN RODE**
Sports Editor

SHAWANO — The Shawano and Bonduel boys and girls cross-country teams all placed in the top four in their divisions at the Shawano Hawk Invitational on Saturday.

Competing in Division 2, Shawano's girls and boys team each came in fourth, with scores of 90 and 131, respectively. The Bonduel girls posted a score of 75 to finish third in Division 3, while the boys took fourth with a mark of 75.

All the varsity girls and boys runners ran at the same time to earn an overall place and team score before being broken down into one of three divisions, where another overall place and team score was given.

Rain the couple days leading up to invitational forced the race course to be adjusted from previous years,

Menominee Indian's Emma Komanekin, right, and Bonduel's Kara Troxel, middle, battle for position during the Shawano Hawk Invitational on Saturday.

but the hosting Hawks still turned in strong times.

Sophomore Odessa Arce was the top runner for the Shawano girls, placing 12th overall and eighth among the Division 2 girls with a time of 20 minutes, 48.3 seconds. Sophomore Grace

Beyer landed in 13th in the division with a mark of 21:25.5.

"Running on a different course than in the past years was definitely a mental obstacle, but as a team we talked it over and it really helped us put things back into perspective that it was just a course and everyone had to run it," said Beyer. "The experience today was quite different, however, always being able to run against big schools shows us as a team where we are at and where we need to get to."

Junior Lydia Beyer finished 14th with a time of 21:25.8. Junior Claire Guenther (22:32.9) and junior Rachael Warax (23:34) placed 24th and 36th to round out the team score.

The Shawano boys were led by freshman Alec White, who took 16th overall and fifth in Division 2 with a time of 17:29.4.

Senior Johnny Dillenburg (18:37.6) took 24th in the division, while junior Ethan Chelberg (18:57.4), senior Karsten Anderson (19:03.2) and freshman Aidan Preston (19:12.1) placed 34th, 35th and 38th, respectively, to round out the team score.

The Bonduel girls third-place finish was led by junior Kara Troxel, who took 22nd overall and third in the division with a time of 21:22.6.

"I was happy with how I finished the race today. I was able to kick it in and not let anyone pass me in the last stretch of the race. I was also able to medal in my division," said Troxel. "However, my time isn't where it's supposed to be."

Junior Kalleigh Schroeder (23:16.5) landed in 15th place in the division for the Bears, while junior Madison Kurey

(24:24.1) was 20th. Freshman Kendra Troxel (24:35.1) and senior Alexia Folkman (24:39.8) capped the team score, taking 23rd and 24th, respectively.

The Bonduel boys were paced by senior Carter Kurey, who took 36th overall and fifth in the division with a time of 18:00.4.

Sophomore Cooper Uelmen (19:02.3) placed 14th, while senior William Beaumier (19:29.7) was 20th. Junior Jack Johnson (19:36.6) and freshman Karter Schroeder (21:11.1) took 22nd and 26th, respectively to wrap up the team score.

Menominee Indian freshman Emma Komanekin turned in her second straight strong finish, taking 19th overall and second in the division with a time of 21:07.2. Junior Mimi Beaulieu-Morgan (23:51.8) also ran for the Eagles, taking 17th.

For the Menominee Indian boys, four runners competed, with freshman Isaiah Moss (18:27.8) taking 10th in the division to lead the way.

Moss enjoyed the experience of facing runners from bigger schools and hopes to lead the Eagles and be able to compete with those schools someday. "I want to improve my time, I want to raise the bar for our cross-country program at Menominee Indian."

Junior Ashton Corn (19:29.3), sophomore Joshua Besaw (21:47.5) and freshman Lloyd Reavis (22:18.8) also competed for the Menominee Indian boys, taking 19th, 36th and 38th, respectively.

Gresham/Bowler had a total of six runners compete, but like Menominee Indian, didn't have enough athletes to qualify for a team score.

Senior Levi Schick (19:50.4) led the Gresham/Bowler boys, placing 25th in Division 3. Senior Austin Slater (24:36.7), sophomore Isaiah Bestul (24:41.4) and junior Andrew Galland (26:06.3) also ran for the boys.

Sophomore Ireland Jensen (27:57.4) and junior Maya Thiex (34:12) represented the girls co-op.

Marion had seven athletes compete at the invitational.

Senior Ethan Pockat (21:11.7) led the Marion boys, while sophomore Isaiah Gueths (21:16.1) and freshman Jaden Stuhr (22:54.8) also ran.

Freshmen Nora Wiesman (27:41), Kelsey Zillmer (28:38.5) and Haiyle Larson (32:02.7) and sophomore Hannah Krueger (33:53.1) ran for the Marion girls.

WOLF RIVER WEDNESDAY
SHAWANO LEADER

Sponsored by **PREVEA** health

Who is *Prevea Health*?

Prevea was founded in 1996 when three physician clinics in Green Bay partnered with HSHS St. Vincent Hospital and HSHS St. Mary's Hospital Medical Center in Green Bay. In a very short time, Prevea established itself as a cornerstone of community health care. As an integrated multispecialty group, we offer services that can't be found anywhere else in Northeast Wisconsin. We also offer our high-quality health care services in Western Wisconsin.

Better Together

Together, Prevea with HSHS St. Vincent Hospital and HSHS St. Mary's Hospital Medical Center in Green Bay; HSHS St. Clare Memorial Hospital in Oconto Falls and HSHS St. Nicholas Hospital in Sheboygan operate as One Family to bring you excellent care close to home.

Our premier *hospital partners*

HSHS St. Vincent Hospital

Since 1888, HSHS St. Vincent Hospital has been serving the people of Greater Green Bay, Northeast Wisconsin and nearby Upper Michigan as the region's health care leader. We want you to have access to the highest levels of health care. Although facilities and services today are very different from a century ago, we think excellent health care still comes down to your personal relationship with your doctor. We also believe this relationship is best served through good communication between you and your family—and our medical team.

HSHS St. Mary's Hospital Medical Center

Since 1900, HSHS St. Mary's Hospital Medical Center has been recognized for its distinctive, compassionate patient care and strong commitment to the community. As with our other sister hospitals, you'll find doctors, nurses and other health care specialists using advanced medical technology with a personal, compassionate approach. We'll care for you as a whole person—healing body, mind and spirit.

Doctors and staff *you know and trust*

Prevea Health gives you the best of both worlds. We've brought a new, proactive approach to care that will allow you to take charge of your health like never before. But you will certainly see familiar faces along the way. Several doctors and staff who have long worked and lived in the area have now joined the Prevea family. So, as you get after your health, it will be your friends and neighbors helping you get there.

Here for you *24 hours a day*

Our dedication to you never sleeps. Prevea patients are provided with Prevea Care After Hours, a 24-hour service which provides access to nurses online and via phone. Patients may also access the MyPrevea app to log in anywhere, anytime for access to your health care information, request appointments and prescription refills, and much more.

Committed to the Shawano community *in every way*

Our passion for people, health and wellness goes well beyond hospital and clinic walls. As we grow within your community, you'll see just what we mean. Through efforts like educational events, charitable support and volunteering, we take pride in helping entire communities be better, healthier places to live.

This is the first in a series of monthly articles that Prevea Health will be writing for the Shawano Leader. If you have a health topic that you would like to learn more about, please call us today!

HSHS St. Clare Memorial Hospital
