Shawano prevails in high-scoring battle

Hawks score with 9 seconds left to win

The Shawano Community High School football team earned its first win of the season in thrilling fashion, taking down Winneconne 52-49 in a Bay Conference shootout on Sept. 24 in Shawano.

Shawano led by as many as 27 points in the first half, but needed a 10-yard touchdown pass from quarterback Jerzy Bocker to Jacob Landon with nine seconds left to earn the wild homecoming win.

Winneconne scored with 2 minutes, 19 seconds to play to go up 49-45. Shawano's offense began at its own 38-yard line and quickly got the ball into Winneconne territory.

Bocker and Landon connected for a 10-yard pass on the first play of the drive. A couple plays later, Bocker hit Ashton Henning on a long pass to get the ball to the Winneconne 11. After two Bocker runs netted the Hawks just one yard, Shawano called timeout with 15 seconds to play.

Shawano called a passing play up for Henning, and if it wasn't there, Bocker was instructed to throw the ball out of the end zone. As the play developed, Landon thought the play was "a little bit broken down, so I just streaked across the field."

Bocker threw the ball over the middle of the field and Landon hauled it in and then held the ball out and over the goal line and then over his head as he was tackled into the end zone. The touchdown sent the Shawano sideline and grandstands into a frenzy.

"I guess apparently Jerzy was throwing it to Ashton and I snagged it in front of him for the win," said Landon.

"We knew it wasn't over," said Bocker of the team's final drive. "Everybody was trying their best. We marched down the field, Jacob had some nice catches and then ended it with that catch. It was perfect."

The wild finish was the perfect ending to the all-around crazy contest.

While the finish to the game was a thrilling one for Shawano, the start to the game was anything but that for the Hawks.

Shawano's offense had to burn a timeout before running its first offensive play and then went three-and-out. Shawano's punt was then blocked, with Winneconne picking up the loose ball and returned it to the Shawano 31-yard line.

Two plays later, Winneconne scored to go ahead 6-0.

Shawano was able to score on its next drive. The scoring drive was sparked by two long passing plays up the right sideline, with Bocker connecting with Logan Sipple on both occasions. It was a play that worked wonders for the Hawks all game.

Bocker capped off the eight-play drive with a 10-yard rushing touchdown.

The game completely flipped in Shawano's favor over the next few minutes. Winneconne fumbled the ensuing kickoff, and on the next play, Bocker and Sipple connected up the right sideline for a 34-yard touchdown pass.

"The energy, it changes so much," said Sipple of how the big passing plays sparked the team all game. "It really helps our defense get stops and

then translates back over to offense. Just having those big plays is great, it brings the crowd up and everyone's spirits just lift up, it's amazing."

Winneconne also fumbled on the next kickoff return, setting up the Hawks' offense at the Winneconne 36.

This time, it took the Hawks a few plays to find the end zone, with a couple penalties holding the team back. The team converted on fourth down once and then finally scored when Bocker hit Henning — playing with a wrap over his right hand because of an injury he sustained early in the season — for a 26-yard touchdown pass on a third-and-14 play.

"It was awesome man," said Bocker on playing in the wild game. "We were doing everything we could. Last week we fell short (in another high-scoring game), but this week we pulled through."

Winneconne's next offensive possession snuck into Shawano territory before the Hawks' defense stiffened and got the ball back after a turnover on downs.

Two plays later, Shawano was back in the end zone. Bocker opened the

drive with a big run and then Henning busted free for a 39-yard touchdown run.

Shawano continued its scoring frenzy when Bocker jumped a Winneconne pass attempt and returned the ball for a touchdown.

Winneconne scored on its next drive, but Shawano answered with another score to maintain its control of the game. Bocker and Henning connected for a big passing play to get into Winneconne territory before Bocker and Sipple connected on another pass up the right sideline on a fourth-and-15 play.

Bocker and Sipple also connected on the next play for a 5-yard touchdown to make it 39-14.

Shawano looked to be in complete control, but things spiraled out of control in a hurry for the Hawks.

Winneconne scored after just two offensive plays to get within 18, 39-21. Shawano then fumbled on its next snap, but its defense held Winneconne out of the end zone when Deacon Carroll registered a sack on a fourth down play.

anything on its next drive, and after the snap on a punt attempt sailed over Brocker's head, the sophomore was intercepted while trying to avoid a safety.

Winneconne took over at the Shawano 9 and scored on the next play to make it 39-28.

Winneconne's comeback continued in the second half, scoring after two plays to get within five points.

Brocker then was intercepted on a pass that was tipped and the Wolves returned it for a touchdown to take a 42-39 lead.

The high-paced scoring finally slowed after that, with the teams trading punts and turnovers on downs the next quarter or so.

Shawano was the next team to score, but again it was the defense finding the end zone. With Winneconne driving to potentially put the game away, the Wolves fumbled on a second down play from the Shawano 37. Brocker scooped up the loose ball and returned it to the opposite end zone to put the Hawks back up, 45-42.

"Them plays helped us through," said Brocker of his two defensive touchdowns. "Our defense, we couldn't stop them, but them two touchdowns were key. They put us on top. It was a big mood changer."

A short kickoff left Winneconne needing to go just 51 yards to find the end zone again, and the Wolves did just that. Winneconne converted a third-and-17 play and then scored with 2:19 to go.

Shawano didn't panic, drawing on its experiences learned the previous week to put together one last drive.

"It says there's growth in our kids," said Shawano coach Alan Tomow, who was thrilled the team picked up

its first win of the year. "This was a good Winneconne football team today. We're battling some injuries and we have some guys moving around. Teams may score and move the football on us, but we got to be opportunistic and have to take advantage when we get the opportunities and we did that today with turnovers — two turnovers for touchdowns.

"Jerzy did a great job for us, and two weeks in a row, he's played great. That last drive, he said 'we're gonna win this' and that's pretty cool to hear a sophomore say that. His role and what we expect out of him is going to grow and he's handled it very well. I'm really proud of how he's come along and what our team did today."

ATHLETE PROFILE: ASHER MICHAELIS

Tigerton senior a force on both sides of ball

Football lineman often are underappreciated for the work they put in on the field. Tigerton High School's Asher Michaelis has earned plenty of praise for his play as an offensive and defensive lineman over his high school career as well as respect from teammates and opponents for his efforts.

Michaelis has made an impact for the Marion/Tigerton co-op from the first day he stepped on the field. He earned second team honors in the Central Wisconsin Conference 8-player division as a defensive lineman in his freshman season.

Michaelis jumped up to first team honors as a defensive lineman in his junior season, while also picking up second team honors as an offensive lineman.

Q: When did your interest in football begin?

A: I would have to say my interest in football first began back in elementary school playing on the playground during recess and that love for the game only grew and grew from there.

Q: What is your favorite part about the football season?

A: My favorite part about the football season is spending time with my teammates that I wouldn't be able to see during the other sport seasons. I also really enjoy the energy at the games, there's nothing else like it.

Q: Talk about what playing in a co-op with Marion is like compared to other sports you play in.

A: It's awesome, everyone gets to know each other and we begin to start a family. We all mean so much to each other that it doesn't even feel like we're a co-op, but actually a really big family.

Q: The team has built a little

momentum lately with a couple wins in a row. What's the key to earning even more wins in the weeks to come?

A: We need to keep pushing through and keep the momentum going and the energy high. Without those two key things, the games wouldn't be fun to play in and that's what it's all about, to have fun.

Q: Individually, what goals have you set for yourself this fall and how do you plan to achieve those?

A: I told myself at the beginning of the season, I was not going to give up on myself or my teammates when the times came tough. As well as, when we're doing good to bring each other up, to be the best teammate and captain I can be.

Q: In your opinion, what are the keys to becoming a successful high school lineman?

A: The biggest thing for me, is confidence. With out confidence, I could struggle all night long on the line. Confidence is key.

Q: As a senior, how do you help lead the rest of the team?

A: I don't like to be negative on the field, I try to keep everyone in the game and the energy high. As a captain, I try to bring my teammates to another level, stepping them up from who they were to who they could be.

Q: Before a game starts, do you or the team have any routines or rituals you go through?

Marion/Tigerton's Asher Michaelis throws a block during a conference win over Bowler/Gresham on Sept. 16 in Bowler.

MORGAN RODE | NEW MEDIA

A: I usually just think in my head about what I'm going to do every single play and get in the mindset I need to be in to be at my best. I like to also listen to music to get fired up as well.

Q: What's your favorite memory of competing on the Marion/Tigerton football team?

A: There is so many, but one that has really stuck out to me is in my freshmen year, the Tigerton guys would take a suburban to practice in Marion everyday, and well, I can't say what was said because "what happens in the burb, stays in the burb"

Q: Favorite movie, TV show and musical artist?

A: Movie — "The Fast and Furious" series of movies, I can't pick just one of them. TV show — "Friends." Music artist — Papa Roach; it's how I get fired up before games.

Q: Name one thing about yourself that not many people know.

A: I strongly believe that buffets are the only place a person should eat. It's so worth it.

Q: What are some things you hope to accomplish after graduating high school?

A: I want to go on to a tech school and for either welding or something in the labor industry. I also would like to hopefully come back and help out the team sometimes if my schedule were to okay it.

ATHLETE PROFILE: KATE PYTLESKI

Panther senior winding down strong golf career

Oconto Falls High School's Kate Pytleski has enjoyed a strong career for the girls golf team, and is again helping lead the Panthers this fall.

After helping the team qualify for sectionals as a sophomore, Pytleski qualified for sectionals as an individual in her junior season.

Pytleski led the Panthers at a number of matches this fall and recently made the North Eastern Conference second team.

The senior tied the best individual score with a nine-hole round of 48 to lead the Panthers to a first-place finish at a NEC meet back on Aug. 18. She fired a round of 53 to help Oconto Falls win another conference meet on Aug. 22.

Pytleski tied for a team's best score of 52 while helping the team to another top finish on Aug. 29. She was tied for second on the team when it won another NEC match on Sept. 13.

Q: When did your interest in golf begin?

A: Golf has always been in my life. My family loves golf, meaning I grew up on the golf course. I also work at River Island Golf Course.

Q: What is your favorite part about the golf season?

A: I truly just love being around my teammates. Our bond is so tight, we have the best time together, especially on the van rides home from a match.

Q: What has golf taught you over the years?

A: Golf has taught me to be mentally tough. Next shot is all that matters. I love telling myself "bad shot, not a bad round."

Q: With the season winding down, what are your keys to ad-

vancing in the postseason?

A: Everyone just needs to keep the mindset that we had going into conference, and ultimately being conference runner-ups. Our confidence and positive attitudes with ourselves and teammates makes us successful.

Q: As a senior, how did you try to lead the rest of the team?

A: With it being my second year as team captain, my motto has always been to be approachable. I want to be someone the girls can come to for anything and everything; on and off the course.

Q: Posting consistently strong rounds isn't an easy feat, yet you were able to do that throughout your high school career. What was the key to your success?

A: I would have to give credit for a lot to my high school success to my dad (Ben). He has always been my biggest supporter and he pushes me to do my best, every single round. My favorite golf rounds are with him.

Q: What is your favorite course to golf at, and why?

A: Personally I love golfing at Hilly Haven. It is always in such good conditions and I shot good at sectionals there last year. It also is a beautiful course.

Q: Before a match starts, do you or the team have any routines or rituals you go through?

A: We usually just have a quick pep talk in the van to relax ev-

everyone's nerves and we laugh a lot, taking lots of pressure off and focusing on having fun.

Q: What's your favorite memory of competing on the Oconto Falls girls golf team?

A: I loved my sectional experiences. And mostly just representing my high school. And of course when my teammate ate 18 buffalo chicken wings after a match!

Q: Favorite movie, TV show, and musical artist?

A: Movie — "Top Gun." TV

show — "Gilmore Girls." Musical artist — probably Taylor Swift.

Q: Name one thing about yourself that not many people know.

A: Disney World is my favorite place on earth.

Q: What are some things you hope to accomplish after graduating high school?

A: I hope to graduate from Marquette University with a doctorate in dentistry. I also hope to stay an active member in my community.

Perez shines in Shawano's home win

Shawano tops Xavier after strong 1st half

By **MORGAN RODE**
Sports Editor

The Shawano Community High School boys soccer team got a big game out of Julian Perez on its way to a 5-1 Bay Conference win over Xavier on Sept. 20 in Shawano.

Perez played a role in all five of Shawano's goals, scoring four times and assisting on the other.

"My guys just set me up. I was in the right place at the right time," said Perez. "I think any three of them (forwards) up top could have been in those positions and scored the same goals. We worked hard in practice, we've been practicing this and this really helps us push into the later season."

Drake Herm netted the other goal for the hosts. Goalie Brandon Reed made eight saves to help Shawano prevail in the battle of the Hawks.

After Reed made a couple early saves, Perez got Shawano on the scoreboard. Shawano worked the ball up the field quickly after a Reed save, and Perez was able to score in the sixth minute.

Shawano continued to control the ball and had several more near misses over the next few minutes before Perez scored again in the 16th minute. Perez scored on a header after Luke Guenther threw the ball in.

"It definitely gives me confidence for these tougher games coming up," said Perez of his four-goal performance. "Once again, my teammates really set me up, they really took the pressure off of me and put me in good spots the whole game."

Xavier briefly tightened the match back up with a goal in the 29th minute, but Shawano scored less than a minute later to regain control.

Herm scored the team's third goal after Perez set him up, again with a header.

Perez capped a big first half with a goal in the 33rd minute, lofting the ball perfectly over the keeper's head.

In the second half, Xavier had numerous scoring chances, but Reed and Shawano's defense were able to fend them off.

"Early in the week, our coaches did

a good job of making some adjustments and really getting us ready for how they were going to attack," said Reed. "We ended up switching up our scheme to counter off of that."

"Our defense in the backfield has been great all season. We got guys back there that are just kind of dogs, and they're really helping us out and making my job easy. And they trust me to do my thing."

Perez then put the finishing touch on the Shawano victory with his fourth goal in the 55th minute of action.

Both teams had scoring chances down the stretch, but neither were able to score again.

The win bumped Shawano's overall record to 6-4-2.

"It's going to give us a lot of confidence heading further into the season," said Herm. "It'll give us a confidence booster as we go against tougher opponents, it'll give us confidence just all the way through."

"The boys played a great overall game," said Shawano coach Andrew Brooks. "We played 80 minutes with high energy and marked hard defensively. From top to bottom, we played as a team and trusted each other. This was our first opportunity to get a play-off type feel and we stepped up big."

Shawano's Julian Perez gestures to the crowd after scoring a goal during the team's conference win over Xavier on Sept. 20 in Shawano.

Bears' O'Brien, Chargers' Salvesen 1st at Eagle Invitational

Bonduel girls, Witt-Birn boys win team titles

By **MORGAN RODE**
Sports Editor

Bonduel's Ben O'Brien and Wittenberg-Birnamwood's Rory Salvesen turned in first-place individual finishes at the Eagle Invitational on Sept. 20 in Middle Village.

While O'Brien won the boys race for the Bears, it was the Bonduel girls team that placed first at the invitational. The same thing was true on the girls side, with Witt-Birn's Salvesen taking the girls race but the Chargers' boys team claiming a title.

There was plenty of other top finishes from area runners.

Bonduel

O'Brien was simply dominant on his way to placing first.

He completed the course in 18 minutes, 20.1 seconds, over 1½ minutes faster than any other boys runner. He grabbed the lead early on and continued to widen it until he crossed the finish line.

"I just pushed as hard as I could and just ran my best," said O'Brien after the race.

O'Brien noted he wanted to place first this year after taking second behind only teammate Cooper Uelmen last year.

"This year, I've been setting goals to get times and I've been getting them," said O'Brien. "I've been really happy with my performance this year."

The Bonduel boys ended up placing third with a score of 58.

Race Anvelink had a strong finish to his race to grab third place in 20:07.5. Ayden Dunst was also in the top 10, taking ninth in 20:56.3.

Griffin Uelmen (23:31.9) and Ben Reisner (24:16) capped the team score by placing 31st and 35th, respectively.

The Bonduel girls turned in a team score of 28, comfortably ahead of Oconto and Manawa, which each placed second with marks of 75.

Mariah Wondra led the Bears, only finishing behind Salvesen. Wondra had a time of 21:56.8.

Menominee Indian's Isaiah Moss, left, and Gresham/Bowler's Bryson Nelson compete during the Eagle Invitational on Sept. 20 in Middle Village.

MORGAN RODE | NEW MEDIA

"I tried to go up the hills fast and then just tried to keep a good pace after the hills because a lot of people slow down after they get up the hills," said Wondra.

With Wondra and Salvesen both only freshmen, the battle between them the next few years should be a fun one. After Salvesen won the race, it gave Wondra a little extra motivation for the rest of this season.

"It's a really good motivator because I was nowhere near her last year (in middle school races), so hopefully I'll be able to keep cutting time between us," said Wondra.

All five of Bonduel's scoring runners placed in the top 10. Teagan Engel was the next Bear across the finish line, coming in fourth in 22:22.8.

Ashlyn Kurey (23:03.2) and Kendra Troxel (23:11.9) placed sixth and seventh, respectively, while Cierra Schnell (23:53.1) claimed ninth.

Witt-Birn

Salvesen turned in a time of 21:42.7 to win the girls race. Like O'Brien, she got out to a lead early on and never gave it up.

"Actually, this race was one of the harder races I've ran. It was really hilly," said Salvesen. "I just kept going hard, and then in my head, I just kind of think strength the whole time and try to push through it when your legs are trying to scream out and give out." With another strong finish to add

to an impressive freshman season, Salvesen is focused on what's ahead of her.

"I work hard in practice, I have people that push me in practice and our coaches are great. They always help us out, giving you different workouts to try, different things to improve and work on getting better," said Salvesen. "It's great to have someone to push you and someone to see your potential and try to make you a better person and runner."

Danica Tomson was the next Witt-Birn girls runner across the finish line, placing 10th in 24:14.4.

Jayden Zeinert (28:18.9), Annika Resch (28:57.4) and Ava Hegewald (32:15.6) placed 20th, 24th and 38th, respectively, to cap the team score.

The Witt-Birn girls placed fifth with a mark of 85.

On the boys side, the team earned a score of 45 to grab first. Oconto was second with a score of 53. The top-five boys runners for the Chargers placed 11th through 15th.

Craig Wendel led the way with a time of 21:08.7. Ian Salvesen was next across in 21:11.

Mason Meverden turned in a time of 21:13.8, while Jonas Bushman posted a mark of 21:14.4. Owen Schultz finished the race in 21:15.4.

Suring

The Suring girls were the only other area team to qualify for a team

score. The Eagles had a mark of 82 to claim fourth.

Olivia Noack led the team with a fifth-place finish in 22:31.9.

Georgia Gerndt came in 11th in 24:47.4. Allyson Seibert (28:32.1) placed 22nd, Hailey Thomson (28:42.8) was 23rd and Morgan Suring (29:51) claimed 27th to cap the team score.

Menominee Indian

A total of six Menominee Indian runners competed in the team's home invitational.

Isaiah Moss placed second in the boys race with a time of 20:04.9.

"I kind of just got my body warmed up and kind of just had a strong mentality," said Moss of how he was able to work his way past some runners to take second. "I kept my eyes forward, keeping up with the person in front of me, and as soon as I caught them, thought to myself to stay in front, keep my eyes ahead and keep my arms moving."

Lloyd Reeves also placed in the top 10 for the boys, claiming fifth in 20:29.1.

Barron Waupoose (21:35.9) and Francis Delabrau (22:17.2) also ran in the boys race, placing 17th and 21st, respectively.

Urijah Reeves placed 13th in the girls race in 25:12.9. Mariah Fish

claimed 21st in 28:30.1

Lena/STAA

The Lena/St. Thomas Aquinas Academy co-op had six runners in action, with three in each race.

Mason Belongia had the top finish, coming in 10th in the boys race in 20:56.9. Eric Kosch (22:38.9) placed 26th, while Reed Hosking (23:08.8) was 29th.

Haley Van Ark was the top-finishing girls runner, finishing 28th in 30:15.9. Chaela Rabas (30:15.9) took 36th, while Kali Fischer (33:53.5) was 44th.

Gresham/Bowler

Bryson Nelson was the lone Gresham/Bowler runner in action, but he represented the co-op well.

Nelson placed seventh in the boys race, finishing with a time of 20:43.2.

Marion

Marion had two boys and two girls competing at the invitational.

Tristan Herro placed 34th in the boys race with a time of 24:09. Jesse Trebus took 42nd in 26:39.

Bridget Much claimed 42nd in the girls race in 33:28.7. Peytra Bailey placed 45th in 34:04.5.

The Gresham Community School volleyball team remained perfect in Central Wisconsin Conference-North Division play after earning a 26-24, 25-15, 24-26, 25-19 win over Tigerton on Sept. 22 in Tigerton.

Gresham prevailed behind big games from Chloe Bohl and Janay Pecore-Kirkland, with the duo combining for 36 kills to help the visitors claim some close sets.

“At the beginning of the set, we weren’t really communicating or moving our feet, or even like talking or working as a team, but at the end, we started working together and communicating and trusting each other and that’s really what made us take the win,” said Bohl, who finished with 21 total kills — 17 attack kills and four block kills.

The back-and-forth battle between the conference foes began right away in set one. Bohl had a kill to help the Wildcats go up three, but Tigerton rallied behind some kills from Skyler Hauser and eventually grabbed the lead.

Maddie Haffner and Bohl each had a kill on another 3-0 Gresham run, but Tigerton responded with a 3-0 run of its own as Hauser served to retake the lead.

Gresham didn’t lead for the next several points and was down 23-21 before rallying. A Tigerton error followed by a Bohl kill tied the match at 23, only to have Hauser score for the Tigers to move within a point of taking the set. Bohl had back-to-back kills to give Gresham the lead, and then Lexi Baddmoccasin-Barnes served an ace to finish off the set.

“Games like this really get us ready for regionals and sectionals, if we go hopefully this year,” said Bohl of how the tight match can help the team moving forward.

Bohl and Pecore-Kirkland played big roles in Gresham’s strong second set.

Pecore-Kirkland opened the set with a kill and then served an ace. After Tigerton pulled ahead after a

couple Hauser kills, Bohl had an attack kill and block to push the visitors back ahead.

Bohl was serving when the Wildcats went on a 4-0 run to take control of the set. Josie Cerveney later provided more strong serving, with kills from Jessa Jensen and Pecore-Kirkland pushing the lead out to eight, 16-8.

Tigerton's Abby Swartz delivered a kill to get Tigerton back on track briefly, but a kill from Haffner and ace from Tia Terrio brought Gresham's lead to nine.

Tigerton continued to battle, getting back within five after a couple more kills from Hauser, but Bohl posted two more kills and the Wildcats went on a 5-0 run as Baddmocco-

sin-Barnes served to finish off the set.

“I think just encouraging each other and trying to keep each other motivated to push forward and win the game,” said Pecore-Kirkland on what led to the team’s win.

Set three was another close battle between the teams, with neither team leading by more than four the whole set.

After splitting the first 20 points, Bohl added a couple more kills to her stat line to put Gresham ahead. Tigerton trailed 20-16, but scored five of the next six points to tie things back up, with Jade Selle providing some strong serves and Hauser delivering another kill along the way.

The teams traded the next five points, leaving Gresham with a 24-23 lead, but three straight errors from the Wildcats allowed the Tigers to extend the match another set.

“Our team really feeds off of energy, definitely. So when we get one good play that really boosts us up for the next play and makes us work harder for it and just play together as a team,” said Hauser.

The battle continued in set four. Gresham was leading 8-7 before Jensen delivered a kill and then provided some strong serving to spark a 5-0 Wildcat run. Pecore-Kirkland had two kills on the run.

Selle and Samantha Suehring each served an ace for the Tigers on a quick 5-1 spurt, but Bohl had two more kills on a 6-2 Gresham run to regain control.

A Cerveney ace and Jensen kill brought Gresham within two points of victory, but two errors kept Tigerton in it. A Jensen point was followed by a Hauser kill before Pecore-Kirkland delivered the match-sealing kill.

Pecore-Kirkland had 13 attack kills and two block kills on the night, while Jensen finished with nine kills. Baddmoccasin-Barnes and Cerveney set up the team’s attackers all night, tallying 13 and 11 assists, respectively. Libero Rylie Kakwitsch tallied nine digs.

Hauser led Tigerton with 16 attack kills and two blocks, while also providing a team-leading 22 digs.

Swartz recorded six total kills and 11 digs for the Tigers, while McKenzie Hoffman had 12 assists. Selle finished with 13 digs and 10 service points, with Suehring chipping in 10 service points and six digs.

Oconto Falls falls to Coleman on homecoming night

Panthers unable to capitalize on strong start

By MORGAN RODE

Sports Editor

The Oconto Falls High School football team got off to a promising start during a Northwoods Conference clash against Coleman on Sept. 23 in Oconto Falls, but mistakes plagued the team the rest of the way and the Panthers ended up losing 38-12.

The run-oriented Panthers received the opening kickoff and put together a 20-play drive that exhausted the entire first quarter clock.

Skylar Dalton, Alex Haines and Carter Hill shared running duties on the first drive. The trio helped the team convert a third-down run in its own territory and then three fourth-down chances in Coleman territory.

Hill, the team's quarterback, powered in from a yard out on the first play of the second quarter to give the Panthers a 6-0 lead.

"That's our identity, right? We run the ball," said Oconto Falls coach Nick Bohl. "Just like Coleman, they run the ball, and take the air out of the ball sometimes and just grind you up. I can't say we planned that first drive, but we wanted to control the ball."

"That's just the style of offense we run," said Hill. "Just five yards a crack and that's just how we get it down. And it worked for the first drive."

Coleman's offense started its first drive at its own 44-yard line and needed just four plays to score. The first play of the drive went for 44 yards.

Trailing 8-6, Oconto Falls hoped to put together another long drive on offense, but fumbled on the second play. Five running plays later, Coleman scored again and converted the two-point try to go up 10, 16-6.

Oconto Falls ended up throwing two interceptions later in the game.

"It's just little mistakes, like one mistake will happen and they just snowball and they just keep continuing to happen," said Hill. "Hats off to Coleman, they're a good team. We just can't have those little mistakes and we'll be good."

"It's the game of football. You turn the ball over, your chances of winning drastically go down," said Bohl. "You give a great team like Coleman extra possessions, they make you pay for it."

After Coleman went up 16-6, Oconto Falls' offense worked into Coleman territory again, but a sack on third down made it fourth-and-19 and forced a Panthers' punt.

Coleman took even more energy out of the home crowd and sideline on homecoming night after ripping off an 85-yard touchdown run.

Oconto Falls had one last chance to score in the first half, but another sack on third down forced a punt.

"It really sucks to lose against a Coleman team because they are a playoff team, they are a good team," said Dalton. "Just the little mistakes on defense, and our offense was moving the ball, just the fumbles and little mistakes cost us the game."

Coleman opened the second half with the ball and put together a long drive that ended in a touchdown to put the team up 30-6.

The next Panthers' drive got to the Coleman 39 before the first interception was thrown.

Oconto Falls' defense got the ball back after forcing and recovering a fumble. The team's offense then got into Coleman territory again after big runs from Dalton and Haines, but another interception ended the drive.

Coleman then scored its final touchdown to take a 38-6 lead.

Oconto Falls continued to battle until the final whistle, and was able to build some positivity after a late touchdown.

Haines recorded a couple nice runs on the drive and was rewarded with a 1-yard score to cap the drive.

The loss was the first in conference play for Oconto Falls. The Panthers, now 3-1 in Northwoods play, will look to rebound against Clintonville (2-2 Northwoods) on Sept. 30 in Clintonville.

Badgers routed by Buckeyes in conference opener

Wisconsin drops 2nd game of year

By NEW MEDIA STAFF

Not much went right for the Wisconsin Badgers football team during a 52-21 Big Ten Conference loss to Ohio State on Sept. 24 in Columbus.

Ohio State received the opening kickoff and drove 88 yards in six plays in under three minutes to grab a 7-0 lead.

Wisconsin quarterback Graham Mertz was intercepted on the

team's first passing attempt, and two plays later, Ohio State scored again to make it 14-0.

Wisconsin offense then went three-and-out. The Buckeyes' offense needed just seven plays to go 70 yards and score a third touchdown.

After another three-and-out for the Badgers' offense, followed by a short punt, Ohio State scored its fourth straight touchdown. That drive lasted eight plays and covered 67 yards.

Wisconsin finally was able to sustain a drive and put points on the board after a 1-yard touchdown run from Mertz, but Ohio State scored the game's next 17 points to run away with the game.

Mertz finished the night completing just 11 of his 20 attempts for 94 yards. He tossed a 2-yard touchdown pass to running back Jackson Acker early in the fourth quarter.

The lone bright spot in the game for Wisconsin was running back Braelon Allen. He rushed for 166 yards, including a 75-yard touchdown run for the game's final points.

Skyler Bell caught four passes

for 55 yards to lead Wisconsin's receivers.

Linebacker Maema Njongmeta led the Badgers' defense with nine total tackles, while safety John Torchio had seven total tackles and an interception. Wisconsin's defense did not have a tackle for loss in the game.

Ohio State outgained Wisconsin 539-296 in the contest. The Buckeyes had 281 passing yards and 258 rushing yards to go along with 28 first downs and a 7.7-yard per play average.

Wisconsin will look to bounce back on Oct. 1 when hosting Illinois. The game is scheduled for an 11 a.m. kickoff.

Shawano girls claim Bay Conference title over Xavier

By **MORGAN RODE**
Sports Editor

The Shawano Community High School girls golf team placed first at the final Bay Conference tour stop at Wander Springs Golf Course in Greenleaf on Sept. 20 to win the conference team title.

Shawano earned a team score of 353, nine shots ahead of Xavier. With the first-place finish, Shawano claimed the conference title ahead of Xavier.

"As a team it was an amazing achievement," said senior Teghan Kristof. "I was really happy when we beat Xavier at the conference tournament, because we have been very close to them all season. They were three points ahead of us at the conference and we took first at conference so we got four points to just slide in front of them. When I saw that we beat them by nine strokes I was super excited because we have been so close to them all three years I have been on varsity."

"The first-place finish as a team has been a goal of the team since my freshman year," said fellow senior

Riley Dreier. "My freshman year we were very close with Seymour and my sophomore and junior year we were so close to Xavier. Beating Xavier at the conference tournament felt so good because they were ahead of us for the majority of the season."

Sophia Eggert and Kristof each made the Bay Conference first team, while Braylyn Babino made the second team and Dreier the honorable mention list.

Xavier's Aliisa Helminen was the conference's top golfer, with Eggert and Kristof in second and third, respectively.

Kristof led Shawano at the final tour stop with an 18-hole round of 82. Eggert tallied an 84.

"It was special to me to be first team all-conference again and finish No. 2 in the Bay because it shows dedication," said Eggert.

Babino carded a round of 90, while Dreier tallied a 97. Alli Johnson posted a round of 102 to cap the five-golfer team.

Bonduel placed fifth on the day with a score of 428 and also were fifth

for the entire season.

Sarah Garside led Bonduel on the day with a round of 97. She made the all-conference second team.

Kerry O'Harrow recorded a round of 105, while Thea Tauchen shot a 108. Gabi Krause and Raina Dworniczak each fired 118s.

Oconto Falls takes 2nd in conference

Oconto Falls capped a strong run in the North Eastern Conference with a second-place finish at the conference tournament on Sept. 21 at Wander Springs Golf Course.

Oconto Falls finished only behind Wrightstown.

Kloeigh Seidl led Oconto Falls with a round of 99 to help her land on the all-conference first team this fall. Kate Pytleski posted a round of 101 and was the first golfer on the second team.

"It means a ton to make second team this year," said Pytleski. "I do however wish I would have finished stronger at conference to make first team."

Kenadee Seidl and Taylor Miller both finished as honorable mentions

in the conference. Seidl tallied a round of 101 at the conference meet, while Miller posted a 106.

Oconto Falls' fifth golfer, Lexi Nelson carded a round of 116. She missed a spot on the honorable mention team by only a couple of points.

Pulaski 3rd in FRCC

Pulaski also turned in a strong finish in conference play, landing in third in the Fox River Classic Conference after the conference meet on Sept. 23 at Wander Springs Golf Course.

Pulaski earned 28 team points for the season, just ahead of Sheboygan North/South (27) and only behind Bay Port (46) and Notre Dame (45).

Vivien Ninham and Summer Jaeger led the Red Raiders at the conference meet with rounds of 81 and 90, respectively. Both players made the all-conference second team.

Ella Ficarra tallied a round of 98 for Pulaski. Danika Holewinski posted a round of 104, while Katelyn Schuettpelz carded a 111.
