Bonduel School District passes referendum

Milavitz wins Shawano mayor race; Keuschel winner for council seat

By **LEE PULASKI**

City Editor

The Bonduel School District's \$12.5 million referendum has passed, based on unofficial voting returns on April 6.

The referendum received 817 votes in favor and 598 against. The village of Bonduel had 302 votes in favor and 138 against. The village of Cecil also passed with 76 votes for the referendum versus 56 against. The towns of Green Valley, Navarino and Washington had majorities of voters approve the referendum. However, the towns of Angelica, Hartland and Waukechon had slim majorities vote against it.

The district is seeking the referendum to repair and update existing facilities at the middle and high school building, add a new gymnasium for the high school, and improve security at its elementary school.

If the referendum is approved, then the tax impact on property owners would be 16 cents for \$1,000 of equalized property value. This comes out to \$16 for a property worth \$100,000.

Bruce Milavitz easily sailed to victory in the Shawano mayor's race, getting 688 votes compared with 278 for Jeanne Cronic, who dropped out of the mayoral race after her husband was involved in a serious snowmobiling accident. He'll only be mayor for one year, however, as the election was a special one called to replace Ed Whealon who resigned in November.

Only one race on the Shawano Common Council was contested, the First Aldermanic District, and Brad Keuschel is the winner with 130 votes compared with Muffy Culhane, who received 103. Sandy Steinke was uncontested and will remain the council's Fifth Alder-

manic District representative, while Kevin Barkow, who was uncontested in the Third Aldermanic District race, will take over for Seth Mailahn.

In the Shawano School Board race, James Davel won the Area 1 seat against incumbent Chuck Dallas by 1,082 votes to 951, but Dallas was victorious in the at-large race by a 1,020 to 917 vote count versus Davel. As a result, the school board will not have to nominate someone for one of those seats, which would have been required if one candidate had won both seats. The at-large seat had been held by Milavitz, who opted not to run again after entering the Shawano mayor's race.

Jamie Beyer is the new board member for Area 4 after she defeated Jeana Winslow by 1,377 votes to 554. Beyer will replace Tyler Schmidt, who opted not to run again.

Meanwhile, in Gresham, Rick Giese will be the village board's new president, getting 89 write-in votes, compared with 45 who wrote in for Art Bahr. Lyle Grosskopf, the only person on the ballot, passed away before the April 6 election but still came away with two votes.

Bahr will remain on the village board as a trustee, however, as he received 54 votes to secure one of the three seats up for election. Also winning trustee seats were Michelle Martinez with 60 votes and Brett Nelson topping out at 72. Allan Ebert was the odd man out with 47 votes.

All unofficial election results are on the county's website, www.co.shawano.wi.us by clicking the election tab under the latest news section.

Metzenbauer faces prelim hearing on child porn case

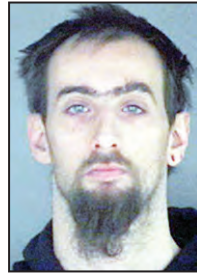

By **LEE PULASKI**
City Editor

Derek B. Metzenbauer's case involving 65 charges of child pornography will proceed to a preliminary hearing in May.

At an adjourned initial appearance March 31, Shawano-Menominee Circuit Court Judge Katherine Sloma set the hearing date for 3 p.m. May 24. The preliminary hearing will determine if there is probable cause to believe a crime was committed by Metzenbauer.

Two weeks prior, a cash bond of \$60,000 was set for Metzenbauer with conditions. Metzenbauer appeared at the March 31 hearing from the Shawano County Jail.

If convicted, Metzenbauer faces up to 25 years in prison for each of the felony charges, as well as a fine up to \$100,000. In such a case, Metzenbauer could end up on the sex offender registry if convicted, but he is already on it after being

convicted in North Carolina for taking indecent liberties with a child.

The child porn charges came after forensic analysis was conducted on devices seized after the

execution of a search warrant by the Shawano County Sheriff's Department on Metzenbauer's home in Cecil. Metzenbauer allegedly used the online identity "Sid the Sloth" in the course of obtaining the images.

Metzenbauer is also facing misdemeanor charges for possession of THC and possession of drug paraphernalia after deputies allegedly found marijuana and other drug items on the defendant.

Shawano Farmers Market back in action in June

The FRESH Project Shawano Farmers Market will open for the summer season June 19.

The open-air market, in its 14th year, will be open Saturdays, 8 a.m. until noon, through Oct. 2 in Franklin Park, 235 S. Washington St., Shawano. The market will also offer extended hours until 1 p.m. on July 10 for Shawano Fest.

"We are so excited to have a full market this season," said Barb Mendoza, executive director. "While we encourage social distancing and face masks, we encourage all vendors,

including crafters and food vendors to join us this summer. We will also be hosting a 5K on Saturday, July 10 in conjunction with Shawano Fest."

The market operated in a limited capacity in 2020 due to the coronavirus pandemic, with limited vendors and no outside activities like music performances and family activities. Mendoza said those types of things will return in 2021.

Products sold include fruits, vegetables, flowers, landscaping plants, maple syrup, bread, cheese, fish, meats, and select, high-quality

crafts. Local musicians perform and kid-friendly events the market is a place to enjoy socializing, shopping and relaxing.

For vendors who would like to participate, go to <http://www.thefreshproject.org/forms/> to fill out forms. Slots are also still available for musicians who would love to perform between 9-11 a.m. on market days. There are still some slots available for nonprofits to join the market to highlight their cause.

The market's mission is to provide local farmers with alternative mar-

keting opportunities.

"As we continue to enhance the quality of life in the greater Shawano area, we look forward to continuing our partnership with local organizations and farmers by providing a healthy, social community activity, and keeping the downtown area of Shawano alive and vital," Mendoza said.

For information, contact Mendoza at barbara@thefreshproject.org or 715-526-5206. To learn more about The FRESH Project, visit www.thefreshproject.org.

USDA to continue free meal program

Students will continue to receive free meals at school through Sept. 30

By LUKE REIMER
Reporter

The United States Department of Agriculture will continue to provide free meals to all students through Sept. 30.

The USDA previously extended the free meal program through June 30, but the department found it appropriate to continue the program through September.

The program was set up in response to the COVID-19 pandemic. The USDA introduced this program so that students across the country would have access to healthy food as recovery efforts from the pandemic continue, even when schools were closed.

With the extension of the meals, food service workers have noticed the advantages that have been presented from it.

Kandice Miller, food service director for Wittenberg-Birnamwood High School, mentioned that this program has helped families financially.

"Families that do not qualify for free or reduced meal prices do not have to worry about coming up with breakfast and lunch money," said Miller.

With the burden off parents and families who may struggle financially, advantages also arise for food service workers.

"The food service staff does not have the awful duty of keeping track of students' accounts," said Miller. "If the money becomes low in the student's account, we don't have to remind the families to deposit money."

Food service workers also know that the students are being fed properly with the free meal program in place.

"It has been an advantage for us

food workers, because we know that the students are being fed healthy meals," said Amy Laatsch, food service director for Tigerton Middle/High School.

According to Miller, the number of students who have participated in both the breakfast and the lunch programs has increased.

"The program is going quite well," said Miller. "The number of students who have participated has increased, which is great to see."

In the Tigerton and Shawano school districts, there has also been an increase in the students who are taking hot lunch and breakfast daily.

"During a typical year, about 50% of the students take hot lunch; this year, we are at around 85%," said Laatsch.

Bobby Reed, food service director for Shawano, mentioned that he is seeing double the amount of students consuming the free breakfast pro-

vided by the school.

"During the normal school year, we have only about 450 kids eating breakfast, which is only about 18% of the student body," said Reed. "This school year, we have 900 a day, so double what we normally have, which is fantastic."

The Shawano and Tigerton school districts are also offering delivery to students who are learning virtually, something that would not be available during a normal year.

The food service staff say their priority is supplying healthy meals to students and that keeping this model in place would be a benefit to all.

"This is a no-brainer," said Laatsch. "Students do about 20-30% better on tests and assignments when they are better fed."

All of the parties involved, including the families of the students, could benefit from continuing the free meal program.

"There would be no financial worries for the families that are in financial situations that do not qualify for free or reduced prices," said Miller.

The free meal program has been a success at Shawano, Tigerton and Wittenberg-Birnamwood so far, according to the food service directors.

"During a normal school year, we normally serve around 250,000 meals," said Reed. "This school year to date, we have already done over 300,000 meals."

According to Laatsch, continuing to give students an opportunity to consume healthy meals is a benefit that will help them in both school and their future.

"Putting money towards students is worth it," said Laatsch, "The kids are the future, and we want to make sure that they are happy and healthy."

Shawano hospital once again in top 100

For third year, ThedaCare Medical Center one of top critical access hospitals

By **LUKE REIMER**
Reporter

For the third straight year, ThedaCare Medical Center-Shawano has been selected as one of the top 100 critical access hospitals in the nation.

This achievement is recognized by the Chartist Center for Rural Health.

ThedaCare facilities in Shawano and Waupaca have been both named to the top 100 list. This list includes rural hospitals located throughout the United States.

"The team here at the ThedaCare Medical Center in Shawano is very proud of the ranking," said Julie Chikowski, vice president of critical access hospitals. "It is a great testimony that the team provides the best patient experience."

TMC-Shawano is among eight other hospitals in Wisconsin to be included on the top 100 critical access hospitals list.

The qualities that factor into being named to the top 100 list are inpatient market share, outpatient market share, cost, charge, financial efficiency, patient perspective, outcomes and quality.

According to the Centers for Medicare and Medicaid website, a critical access hospital is located in a rural area, located more than 35 miles away from the nearest hospital (or more than 15 miles in area with

mountains or only secondary roads), contains no more than 25 in-patient beds, sustains an average of 96 hours per patient visit for acute inpatient care and supplies 24-7 emergency care.

TMC-Shawano offers many different services to those that need it — including primary care, cancer and blood care, cardiovascular care and orthopedic care.

"We want to maintain rural health through these services," said Chikowski. "With smaller hospitals

often struggling to survive, we take pride that we are on this list, being able to provide these services."

With the COVID-19 pandemic effecting many rural areas in the past year, these critical access centers have been working in full force. Throughout the pandemic, many hospitals and care centers have become crowded in rural areas especially due to the limited access of health care. With having such small rural communities, health care is vital to those that need it in this trying time, and

the ThedaCare Medical Center in Shawano has exemplified their ability to demonstrate this.

The COVID-19 pandemic proved to be a great challenge for TMC-Shawano as the amount of patients who were administered was significantly higher due to the virus. TMC-Shawano was able to maintain their ranking on the list due to their work through the pandemic assisting patients with their medical needs.

"As the pandemic continues, our work during it is a reason that we are on the list," said Chikowski. "Our ability to help those in need during this pandemic was taken into consideration for this ranking."

In the United States, there are currently 1,326 critical access hospitals. Within the ThedaCare umbrella, there are locations in Berlin, New London, Shawano, Waupaca and Wild Rose.

"I just wanted to say that the team here at TMC-Shawano are rock stars," said Chikowski. "It takes the work of everyone to make the hospital to get us here."

CSA program expands to Menominee Nation

The FRESH Project received a grant from the Lumberjack Conservation to expand its programs to the Menominee Nation.

"The Menominee Indian Tribe is excited to continue our important partnership with the FRESH Project," said Jonathan Wilbur, tribal administrator. "The availability of healthy food options for members of our tribe is an important component of tribal efforts to promote a culture of health."

The program will operate alongside the FRESH Project Mobile Market, a three-year program operating from late June through September. The mobile market delivers fresh local produce to area communities at a very low price to the customer providing affordable, accessible, and

healthy food to all.

"CSA allows you to have a deeper connection to your food, without having to grow it," said Barb Mendoza, executive director of the FRESH Project. "Your membership will give you an inside look at what is happening with the farms growing your food around Shawano County."

There are two membership options available, with pricing based upon annual income. Recipients will receive shares bi-weekly for seven weeks.

In a meat and produce share, participants will get a pound of locally grown meats, one or two kinds of fruits, and five to six kinds of vegetables. The cost varies between \$100 and \$185 for seven deliveries with a retail value of \$230.

There is also a share for produce only. In this box, participants receive one or two kinds of fresh fruits and three to four kinds of vegetables. It costs between \$65 and \$150 for seven deliveries, with a retail value of \$180.

The program is limited to 100 participants.

"By staggering the prices of our CSA boxes, this will allow the opportunity for us to reach those that may not be able to afford healthier foods," Mendoza said.

Anyone wanting to participate can fill out a CSA membership agreement at www.thefreshproject.org and select the 2021 Summer CSA tab.

"Investing in the CSA is a great way to have locally grown produce in your neighborhood. You will also

receive special discounts on produce, learn about cooking techniques and healthy recipes for the foods in your share package," said Mendoza. "CSAs will also help our farmers plan what to grow by sharing what kinds of produce and/or meats you are interested in."

Pickup locations include Bowler, Cecil, Gresham, Shawano, Marion, Navarino, Tigerton, Wittenberg and Keshena. The mobile market will also carry loose produce items along with other local products for sale at for anyone at the locations determined. Schedules will be published once finalized.

For information, contact Mendoza at 715-526-5206 or barbara@thefreshproject.org.

Gallagher throws support behind Milavitz

Congressman praises mayoral candidate, notes importance of local elections

By **LEE PULASKI**
City Editor

Shawano mayor-elect Bruce Milavitz got a nod of support from U.S. Rep. Mike Gallagher at a get-together April 1 at Season's Restaurant that included Milavitz, Gallagher and a packed house of Republicans.

Milavitz, who was not facing significant opposition in the April 6 election after challenger Jeanne Cronce had to bow out due to family issues, received significant praise from the congressman, who noted that people like Milavitz work to bring communities together. During a speech to the group, Gallagher said that it should be the mayors of communities, not the country's president, that should have the true power in the United States.

"I think sometimes, because we're so consumed with presidential elections, senator elections, governor elections, congressional elections, we forget how important our local elections are," Gallagher said.

Milavitz, who proudly announced that "Shawano is open for business," to the crowd, noted the city needs to find a way to attract more businesses and companies to the community.

"I'm hoping the businesses currently (in the community), the city and the county can partner with businesses to get business start-ups and get something going for someone that wants to come into the community," Milavitz said, noting that he came to Shawano in the mid-1990s and that it was an interesting experience. "I knew it was going to be an excellent fit."

Gallagher praised Milavitz's declaration, which echoed former Gov. Scott Walker's "Wisconsin is open for business" call when he was elected more than 10 years ago.

"I love that Shawano is open for business," Gallagher said. "That's a great slogan."

The congressman also contrasted the work that municipalities like Shawano are doing with what's being attempted at the federal level.

"People need to work, not only to provide for their families but to feel a sense of community, to feel a sense of being connected to the local community," Gallagher said. "That's what your platform is all about, incentivizing work, keeping people here in Shawano working, giving them a sense of belonging to this community."

Shawano mayoral candidate Bruce Milavitz, right, chats with U.S. Rep. Mike Gallagher during a get-together April 1 at Season's Restaurant. Gallagher commented that the United States was "lucky to have people like Bruce" going into public service.
GREG MELLIS | NEW MEDIA

When people don't work, or when the government pays people not to work, or when they're trapped inside, bad things start to happen. Those bonds of community start to fray."

Milavitz said he is already making inroads with the county to try and get much collaboration on issues, noting that Shawano, as the county seat, is the "hub of Shawano County" and that there's only benefit to working together.

Milavitz said he was going to work with Shawano Community High School's on-the-job work experience program and promote it more to local businesses.

"It's fantastic," Milavitz said. "They get (school) credit, and it really helps solidify that there's a reason to stay in Shawano."

The candidate, who would fill out the last year of Ed Whealon's term and would face reelection in 2022, said he plans to be the community's "cheerleader," promising to go out into the region and promote Shawano.

"Whether it be a fair or a parade,

I'm hoping to do that," Milavitz said. "I'm hoping to partner with businesses such as the tavern league. Let's make sure we're doing everything we can to promote that and keep that moving."

Milavitz also mentioned wanting to work with the Shawano Country Chamber of Commerce, the Ski Sharks, and outdoor groups for hunters and snowmobilers. He noted that the community events that did go on in 2020, like Thursdayz at Franklin, brought in plenty of people to visit the community. He wants to bring more.

"Even with the COVID, it was packed," Milavitz said of Thursdayz at Franklin. "It wasn't just local people. It was people coming into the community."

Milavitz vowed to form citizen groups to look at whether there's any tax waste in the city. He noted he didn't know the full financial situation of the city but wanted to make sure everything is being run efficiently.

Youth will also be a part of the

city's decision-making process, Milavitz said, as he promised to resurrect the youth advisory board that was part of former Mayor Lorna Marquardt's administration but has languished under the last two mayors.

"Our youth is our future, and we need to promote that," Milavitz said. "I'm hoping to get some input and find a way to input their concerns and their needs to stay in the community."

Gallagher praised Milavitz's speech, noting that it was a good thing to see "how thoughtful you've been and thoughtful you are about this role and doing what's right for Shawano. I was blown away by that."

Gallagher added that the strength of the United States comes from the bottom up, with local communities working on bold visions.

"America is still the greatest country in human history," Gallagher said. "America is lucky to have people like Bruce step up and serve in roles like this. It's absolutely critical."

NEW Media hires new reporter

Reimer excited to write in Northeast Wisconsin

By NEW MEDIA STAFF

NEW Media Inc. has hired a new reporter to cover Shawano County news and events.

Luke Reimer, 22, graduated from West De Pere High School in 2016 and continued his education at the University of Wisconsin-La Crosse, earning a bachelor's degree in media studies with a minor in professional and organizational communication. In college, Reimer contributed to the student news network, where he worked as an on-air reporter and behind the camera.

He is a contributor to Flurry Sports, a sports website based out of Eau Claire, writing about professional and collegiate sports — including the NFL, NBA, MLB and NCAA basketball.

"We think Luke is an ideal fit for

LUKE REIMER

NEW Media as we grow our online presence with a commitment to the news of Shawano, Menominee and Oconto counties," said Warren Bluhm, interim editor-in-chief. "His writing and digital experience is invaluable."

Outside of writing, Reimer spends his time watching sports, most notably the Green Bay Packers, Milwaukee Bucks and Milwaukee Brewers. Reimer also enjoys spending time outside, fishing, hiking and boating at his family's cottages in the Oconto area and in the Upper Peninsula of Michigan.

"I'm excited to have a chance to write in Northeast Wisconsin, where I was born and raised," Reimer said.

NEW Media Inc. is the home base of newmedia-wi.com and publishes the Shawano Leader, Oconto County Times Herald, and Wittenberg Enterprise and Birnamwood News.

Health department issues mask advisory after court decision

The Shawano-Menominee Counties Public Health Department wasted little time issuing a health advisory that stipulates that every person age 5 and older should wear a face covering or mask, after the Wisconsin Supreme Court ruled against Gov. Tony Evers' extension of a statewide mask mandate beyond 60 days.

As of March 25, 25.6% of Shawano County residents have received at least one dose of the vaccine, according to the health department, and 15.7% have completed the vaccine series. Officials are saying that they're trying to reach the goal of vaccinating 80% of the community, which they said means folks will be able to return to a life before COVID-19.

The following does not meet CDC

requirements for mask wearing, according to the health department:

- Masks worn in a way that does not cover both the mouth and nose
- Face shields or goggles as a substitute for masks. Goggles or other eye protection may be used in addition to a mask. Face shields and goggles are used to protect the eyes of the person wearing it.

The health department stated that the advisory should not be used as justification to harass or harm another person who is either wearing or not wearing a face covering. Individuals may have disabilities or other conditions that prohibit them from wearing masks.

The advisory remains in effect until further notice, according to the health department.

Gresham scholarship fund reaches \$1M

Qualifying seniors will be awarded \$3,250 for their continued education

By **LUKE REIMER**
Reporter

In late fall of 2020, the Gresham Scholarship Fund reached \$1 million.

"When we first started, I was encouraged to see the fund grow to \$100,000," said Bob Klopke, president and one of the founding board members of the Gresham Scholarship Fund. "With it getting there so fast, I knew we could get to \$1 million."

The fund, created 20 years ago, started by giving \$400 scholarships to graduating seniors who qualified. That number has grown to \$3,250 in 2021.

That's more than half again last year's \$2,000 award to qualifying graduates.

"This was an unusual jump for us," said Klopke, who has served as Gresham Community School's principal in the past. "But members on the board felt it was necessary."

In order to qualify for the scholarship, graduating seniors need to apply online, have a 2.0 grade point average or better, and have a plan to further their education. The scholarship will be awarded after graduates finish the first semester of their continued education.

The Gresham School District has an average of 19 students in each class. With this number in place, typically 50% of the graduating class qualify and accept the scholarship.

When Klopke was principal, he would experience parents and grandparents coming up to him and handing him checks to be used for the fund. This is when Klopke realized that trust had been built within the community.

"It was a good feeling having the community supporting this," said Klopke. "Being available to meet with those donors was a big thing for the community, I think."

The awarded scholarship money is expected to remain at \$3,250 for the near future.

"We don't want to go down in how much we are putting into the scholarship, so the \$3,250 will remain

consistent for the near future," said Klopke.

The money that has been donated to the scholarship fund has come from graduates and the community around the school. Gresham scholarship dinners are also held annually with proceeds going to the fund.

The scholarship funds are held by the Shawano Area Community Foundation, which is under the umbrella of the Community Foundation for the Fox Valley Region.

This money is then invested in order to expand it. With this money, the graduating seniors have an opportunity to open a better future for themselves and ultimately get a head start on the rest of their lives.

Klopke and those in charge of the fund have noticed that even without a lot of big donations, that the smaller donations do in fact make a difference.

"Getting to \$1 million really shows the power of what people can do when they can't afford to donate a lot," said Klopke. "Even though small donations come in, it adds up to a lot."

With those in the community being supportive of the fund and donat-

ing what they can, Klopke wanted to extend his appreciation, not only for donating, but also assisting in getting these seniors started on the right track.

"We are just very grateful for all those who have helped out and contributed," he said. "We hope that the students value this money, and we hope that it can help them start a better life."

Last State Restricted Silver Walking Liberty Bank Rolls go to WI residents

Wisconsin residents get first dibs on last remaining Bank Rolls loaded with U.S. Gov't issued Silver Walking Liberties dating back to the early 1900's some worth up to 100 times their face value for just the \$39 minimum set for state residents - non state residents must pay \$118 per coin if any remain after 2-day deadline

► **STATE DISTRIBUTION:** A strict limit of 4 State Restricted Bank Rolls per WI resident has been imposed

WISCONSIN - "It's a miracle these State Restricted Bank Rolls even exist. That's why Hotline Operators are bracing for the flood of calls," said Laura Lynne, U.S. Coin and Currency Director for the National Mint and Treasury.

For the next 2 days the last remaining State of Wisconsin Restricted Bank Rolls loaded with rarely seen U.S. Gov't issued Silver Walking Liberties are actually being handed over to Wisconsin residents who call the State Toll-Free Hotlines listed in today's newspaper publication.

And here's the best part. If you are a resident of the state of Wisconsin you cover only the \$39 per coin state minimum set by the private National Mint and Treasury, that's fifteen rarely seen U.S. Gov't issued Silver Walking Liberties worth up to 100 times their face value for just \$585 which is a real steal because non state residents must pay \$118 per coin which totals \$1,770 if any coins remain after the 2-day deadline.

"Recently National Mint and Treasury spoke with a retired Treasurer of the United States of America who said 'In all my years as Treasurer I've only ever seen a handful of these rarely seen Silver Walking Liberties issued by the U.S. Gov't back in the early 1900's. But to actually find them sealed away in State Restricted Bank Rolls still in pristine condition is like finding buried treasure. So any-

JACKPOT: Imagine finding the 1919-D Silver Walking Liberty shown above worth thousands of dollars in collector value in one of these unsearched Bank Rolls. There are never any guarantees, but Wisconsin residents who get their hands on these State Restricted Bank Rolls will be the really lucky ones because even more common coins are still worth up to \$115 - \$825 in collector value.

one lucky enough to get their hands on these Bank Rolls had better hold on to them," Lynne said.

"Now that the State of Wisconsin Restricted Bank Rolls are being offered up we won't be surprised if thousands of Wisconsin residents claim the maximum limit allowed of 4 Bank Rolls per resident before they're all gone," said Lynne.

"That's because the dates and mint marks of the U.S. Gov't

issued Silver Walking Liberty Half Dollars sealed away inside the State of Wisconsin Restricted Bank Rolls have never been searched. But, we do know that some of these coins date clear back to the early 1900's and are worth up to 100 times their face value, so there is no telling what Wisconsin residents will find until they sort through all the coins," Lynne went on to say.

The only thing Wisconsin residents need to do is call the

State Toll-Free Hotlines printed in today's newspaper publication before the 2-day order deadline ends.

"Rarely seen U.S. Gov't issued silver coins like these are highly sought after, but we've never seen anything like this before. According to The Official Red Book, a Guide Book of United States Coins many Silver Walking Liberty Half Dollars are

VALUABLE:

It's like a treasure hunt - there's no telling

what you'll find. That's because the dates and mint marks of the fifteen U.S.

Gov't issued coins sealed away inside these State of Wisconsin Restricted Bank Rolls have never been searched. All we know is some of the coins are worth up to 100 times their face value.

now worth \$115 - \$825 each in collector value," Lynne said.

"So just imagine how much these last remaining, unsearched State of Wisconsin Restricted Bank Rolls could be worth someday. Remember, these are not ordinary coins - these rarely seen coins date clear back to the early 1900's. In fact, these coins have been forever retired by the U.S. Gov't, and you can only get them rolled this way directly from the National Mint and Treasury because these are the only State Restricted Bank Rolls known to exist," said Lynne.

"We're guessing thousands of Wisconsin residents will be taking the maximum limit of 4 Bank Rolls because they make such amazing gifts for any occasion for children, parents, grandparents, friends and loved ones," Lynne continued.

"We know the phones will be ringing off the hook. That's why hundreds of Hotline Op-

erators are standing by to answer the phones beginning at 8:30am this morning. We're going to do our best, but with just 2 days to answer all the calls it won't be easy. So make sure to tell everyone to keep calling if all operators are busy. We'll do

our best to answer them all," Lynne said.

"That's why the private National Mint and Treasury set up the State Toll-Free Hotlines in order to make sure Wisconsin residents get the State Restricted Bank Rolls before

they're all gone," she said.

The only thing readers of today's newspaper publication need to do is make sure they are a resident of the state of Wisconsin and call the State Toll-Free Hotlines before the 2-day deadline ends midnight tomorrow. ■

IMPORTANT: The dates and mint marks of the U.S. Gov't issued Silver Walking Liberties sealed away inside the State of Wisconsin Restricted Bank Rolls have never been searched. Coin values always fluctuate and they are never any guarantees, but any of the scarce coins shown below, regardless of their value that residents may find inside the sealed Bank Rolls are theirs to keep.

Poetry in the meter of the oral tradition

"All music is poetry," Louis V. Clark III stated. "I write in a musical manner. I hear drums in my head."

I asked the Oneida Nation of Wisconsin tribal member to describe his craft in honor of April being Nation Poetry Month. Clark, a retired blue-collar worker who penned poems and stories throughout his life, began a second career as a published man of letters within the past decade.

"I'm very blessed," Clark reflected, but that came after a lifetime of discrimination against him for being a Native American in an intolerant world. "I had to handle a lot of racism, but I kept writing. I did it for me. I put my feelings down on paper to cleanse myself."

Clark, who spent 19 years coaching his six children through little league alongside his wife, Debbie, entered the publishing world covering sports stories for The Omro Herald. Then in 2010, he answered a call for poetry in a newspaper, which resulted in his meeting James Parins from the Sequoyah

National Research Center at the University of Arkansas. Clark learned Parins was the grandson of former Green Bay Packers' President Robert J. Parins,

RYAN WINN

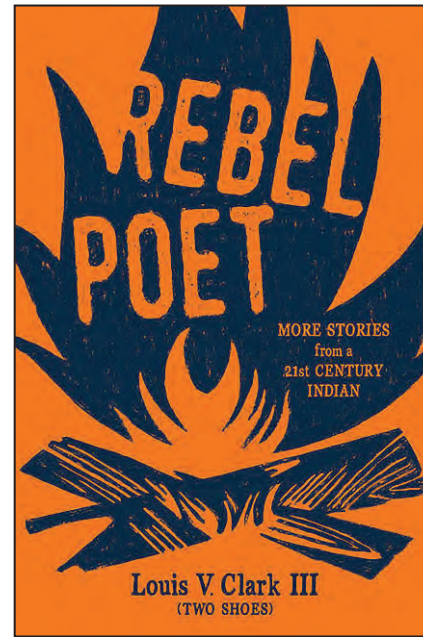

and the two men bonded over Clark's work and stories about their shared alma mater, West De Pere High School.

In 2011, Sequoyah published Clark's first chapbook,

"Two Shoes," which meant the poet had to promote his book in public events. Quick to use humor, Clark relayed, "The first thing I did was go out and purchase a suit jacket with elbow patches on it. I at least wanted to look the part."

Clark needn't have worried about the fragility of his success, as soon over a thousand copies of his book were in print and he was speaking regularly before audiences of all ages and walks of life. In 2012, he won an Oneida Nation Arts Program Fellowship. By 2014, Clark was in such demand that he was able to move his reading before the Wisconsin Fellowship of Poets Annual Convention in Green Bay to enable him to watch his son pitch for Lawrence University's baseball team.

After the reading, Clark was asked to turn his remarks about his life's story into the book "How to Be an Indian in the 21st Century," which Wisconsin Historical Society Press published in 2017. The press took a chance on Clark, making his book the first poetry collection they'd published after more than a century and a half in the business. Their efforts were rewarded with a Midwest Booksellers Choice Award, which

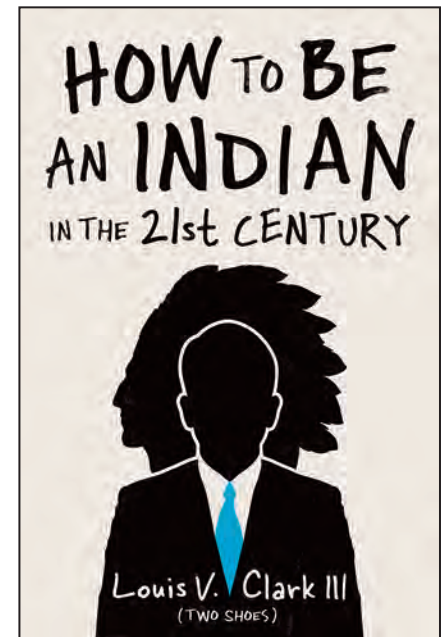

Clark both deserved and appreciated but still surprised him.

"I don't write with some grandiose themes," he said. "Stuff gets in my head and it has to get out."

In 2019, Wisconsin Historical Society Press doubled down on Clark, publishing "Rebel Poet," whose publicity included a National Public Radio interview and a public reading aired on PBS. Like his earlier work, the new book collects cathartic stories in verse that run the gamut of experiences. There's power in his words, drawing empathy from his readers with every rhyming couplet or, as Clark puts it, "I meet life and I accept it."

Thinking nationally, Clark noted that poetry is making a comeback in American society. "I think you saw it with the last inauguration," recognizing how our country was taken with the inaugural National Youth Poet Laureate Amanda Gorman's performance of "The Hill We Climb."

Still, for Clark, American poetry is a practice older than America. "I

think Oneida elders put things to meter so they would remember the stories. In my own way, I'm perpetuating the oral tradition."

For Clark, "Poetry is a gift from the Creator. It's in my head and it goes to my hand."

While Clark's poetry describes volatility, he remembers his parents as loving providers despite their perchance for violence. He fondly recalled how calm came to the Clark household in the summer.

"During pow wow time, I could hear drums played at the Oneida ball diamond. We lived nearby, and I could hear them from my bed at night. There were no fights and I felt safe." Clark continued, "I fell in love with the meter of those drums. It felt secure. Now I try to write to make myself feel secure."

Marion confident under direction of new coach

Mustangs have 2 all-conference players back from 2019

By **MORGAN RODE**
Sports Editor

The Marion High School baseball team comes into the spring season under the direction of a new head coach and ready to compete for a Central Wisconsin Conference-North Division title.

Joe Stuhr is the team's new coach and he has a strong core of upperclassmen to build around this spring.

"I believe that we have a team that can compete for the top 1-3 positions in the conference," said Stuhr.

"I feel we are in a good spot with pitching depth, as long as the young guys keep developing and the juniors and seniors can get the bugs worked out from not having a high school or Legion season a year ago."

Leading the way will be senior Carter Goke (pitcher, infield) and junior Alex Zimmerman (catcher, pitcher, infield), who each landed on the CWC-North second team in 2019.

Senior Koy Brei (first base, pitcher, outfield) and junior Ethan Scheef (outfield, catcher) also have ample varsity experience.

"I definitely think we can com-

plete for a conference title this year," said Zimmerman. "It sucks from not being able to play last year and we lost a lot of experience and practice especially, which makes it hard for the young freshmen and sophomores but the team looks good and the young guys are really fitting in good and they will definitely be a big part of our team this year."

"So just making sure they feel comfortable and ready to play on the big field will be what we need to focus on the most probably, but once they're comfortable and are able to work with the older guys, we're gonna be a great team and definitely one of the best, if not the best in the conference."

Senior Myles Peterson (infield), sophomores Jaden Stuhr (pitcher, outfield, first base) and Nick Malueg (outfield) and freshmen Ryan Malueg (catcher, pitcher infield), Jay Brei (infield, pitcher) and Jackson Krohn (outfield, infield) are among the players that could help fill out the lineup.

Leonhard says he has 'unfinished business' at Wisconsin

By **THE ASSOCIATED PRESS**

Wisconsin defensive coordinator Jim Leonhard says he has unfinished business at his alma mater and wouldn't have felt right leaving after a pandemic-shortened season, even for an opportunity as tempting as his home state's NFL team.

Leonhard was a prime candidate for the Green Bay Packers' defensive coordinator position and had been offered the job according to multiple reports, but opted to return for a sixth season on Wisconsin

coach Paul Chryst's staff. The Packers instead hired Joe Barry as defensive coordinator.

"I love Madison," Leonhard said. "To me, there's some unfinished business with the University of Wisconsin. I love this group of kids and want to continue to develop them. With COVID being the way it was last year, I'd have felt a specific way about myself having left after that season."

Leonhard aimed high as he specified the nature of his unfinished business at Wisconsin, which

opened spring practice this week.

"I came here wanting to win a national championship, I came here wanting to win the Big Ten as a player," said Leonhard, who played safety for the Badgers from 2001-04 before starting a 10-year NFL career.

"Nothing's changed as a coach. We haven't done that since I've been back. The goals haven't changed. I feel like we have a group that can accomplish that."

Wisconsin struggled to a 4-3 record last year but ranked fifth na-

tionally in total defense and ninth in scoring defense.

Wisconsin has finished in the top five in total defense and top 10 in total defense in three of Leonhard's four seasons as defensive coordinator.

Leonhard acknowledged the Green Bay situation was particularly enticing.

"They're right on the fringe of a Super Bowl and have been for a while now," Leonhard said. "Definitely a difficult decision to have to make."

Eagles hope to continue building program

By **MORGAN RODE**

A young Menominee Indian High School softball team has a simple expectation for the upcoming season — to improve.

When Menominee Indian was on the field last in 2019, the team won a pair of games. The Eagles hadn't won a game the two seasons prior to that.

"We hope to continue to build a strong softball culture in this community," said coach Miranda Roland.

"A challenge for this season is the amount of youth on the team. Almost half the team will consist of freshmen, which is a blessing and a curse. We have the ability to mold and develop these young players into exactly what we need

Menominee Indian's Alexis Wilber makes a throw to first base during a CWC-East game against Wittenberg-Birnamwood on May 2, 2019, in Keshena. Wilber will help fill out Menominee Indian's infield this coming spring.

as a program, but it is young ladies playing against strong experienced

players."

Senior Selena O'Kimosh will

lead the team after landing on the Central Wisconsin Conference-East Division honorable mention team as a sophomore. She will serve as the team's top pitcher, and play in the infield when not in the circle.

Helping round out the infield will be senior Arvilla James, junior Alexis Wilber and sophomore Aniya Peters.

The rest of the lineup will primarily be first-time players at the high school level.

"As a senior this year, my plan is to push my team, and be the best leader I can be for them," said O'Kimosh, "and hold them up the best that I am able to this year, especially with the young team that we have this year."

HIGH SCHOOL VOLLEYBALL

4 area teams learn postseason seeds and matchups

By **NEW MEDIA STAFF**

Alternate fall season volleyball postseason seeds were announced for Gresham, Tigerton, Bowler and Menominee Indian.

There will be two divisions for the playoffs.

Gresham earned the No. 1 seed in its four-team Division 2 regional pod.

The Wildcats will take on fourth-seeded Elcho.

In the same pod, Tigerton picked up the No. 2 seed and will take on No. 3 Bowler.

All regional matches will be played April 10. Because Gresham got the top seed, it will host the regional matches.

The Gresham, Elcho match will start at 1 p.m., with Tigerton playing

Bowler at 4 p.m. The winners will play in the regional final at 7:30 p.m.

Menominee Indian is a No. 3 seed in its Division 2 regional pod. The Eagles will take on second-seeded Oneida Nation at 4 p.m.

Top-seeded Kewaunee will battle No. 4 Algoma in the other regional matchup at 1 p.m. Games will be played at Kewaunee High School.

The winner of each regional final will advance to sectionals, which will be played April 13.

The sectional winners will play state semifinal matches on April 15 before the state championship on April 17. The state championship will be played at Kaukauna High School.

Packers to face Chiefs in additional regular-season game in 2021

Following approval from NFL clubs at a virtual league meeting March 30, the enhanced NFL season schedule will go into effect in 2021 with each team playing 17 regular-season games and three preseason games.

The new scheduling format will see each team host 10 games overall — either nine regular-season games and one preseason game or eight regular-season games and two preseason games.

Moving to 17 regular-season games will provide fans an extra week of regular-season NFL action, with the added matchup featuring teams from opposing conferences that finished in the same place within their division

in the previous season. The AFC was determined to host the extra game in 2021, and with the NFC North matching up with the AFC West, the Packers will face the Kansas City Chiefs this coming season in Kansas City.

Because Lambeau Field will not host an additional game this season, both gold and green package season ticket holders will receive their regular allotment of games this year. While green package invoices are not affected, gold package invoices will be updated accordingly on ticket holders' online accounts to reflect that no extra game will take place at Lambeau Field this year.

Gold package season ticket holders

who have already paid their invoices for this season will soon receive a refund of the difference between the cost of the regular-season and pre-season game. Those who haven't yet paid their invoices will be able to pay the updated invoice on their online account.

Any gold package season ticket holder who received the invoice in the mail and was planning to mail in their payment can pay the adjusted amount due: end zone seats are \$58 for preseason, \$118 for regular season; south end zone, 700 level are \$61 for preseason, \$121 for regular season; south end zone, 600 level are \$64 for preseason, \$129 for regular season;

end zone to the 20-yard line are \$69 for preseason, \$134 for regular season; between the 20-yard lines are \$74 for preseason, \$149 for regular season.

Updated invoices will be mailed to gold package season ticket holders who have not yet paid their invoices.

The official 2021 schedule, with playing dates and times, will be announced later this spring. With the additional regular-season game, Super Bowl LVI at SoFi Stadium in Los Angeles will take place on Sunday, Feb. 13, 2022.

Little mistakes add up for Menominee Indian in neutral site loss to Kewaunee

Beaulieu-Morgan connects with Smith for lone Eagles TD

By **MORGAN RODE**
Sports Editor

The Menominee Indian High School football team put together a better showing than its first alternate fall season game, but still committed too many mistakes that resulted in a 43-6 loss on April 1 to Kewaunee at Calder Stadium in Menasha.

Whenever the Eagles seemed to gain some momentum with a big play on offense or defense, the team was unable to sustain it.

"It's little mistakes. It's things that are easily corrected but it's just little things," said Menominee Indian coach Chris Clache. "I tell my guys, 'we take two steps forward, and we take one step back.' It was like that the whole night.

"We really beat ourselves."

Kewaunee opened the game with the ball and had a strong drive going before Menominee Indian junior Bryce Dixon broke up a couple of pass attempts to force a turnover on downs.

Menominee Indian's offense got a first down before stalling near midfield and having to punt.

After another long Kewaunee drive, Menominee Indian's defense stiffened again in the red zone, with junior Wendell Waukau knocking down a pass at the line of scrimmage to get the ball back for the Eagles.

On the second play of the ensuing drive, junior quarterback Devin Beaulieu-Morgan was sacked and had the ball stripped away. Kewaunee picked up the loose ball and scampered into the end zone for the game's first score.

The Eagles' offense got near midfield again on their next drive before stalling again. A high snap on the punt attempt helped give Kewaunee good field position, and the Storm capitalized with a touchdown on the second play of the drive.

Menominee Indian's next drive started with a first-down pass from Beaulieu-Morgan to junior Allen Smith, but the Eagles fumbled on a

rushing attempt the next play.

The Eagles forced a turnover on downs the ensuing possession but gave the ball right back after an interception. Kewaunee responded with a touchdown to make it 20-0.

Another high snap on a Menominee Indian punt attempt the next drive resulted in a safety, and Kewaunee's offense scored again on the next possession to push the lead to 28-0.

After an Eagles' punt, Kewaunee put together another touchdown drive to get the running clock going at the start of the second half. The Storm tallied 22 points in the final five minutes of the second quarter.

"I feel like we just got to keep playing our hardest. A couple of us are giving up on the play, and then if one person gives up, the play's no good," said Smith. "I feel like that comes with chemistry. So keep playing together, get more experience."

Menominee Indian had a couple more drives stall in the second half

before finishing off a possession about midway through the final quarter.

Dixon made a contested catch to spark the drive before Beaulieu-Morgan and Smith connected on a 24-yard touchdown pass.

Beaulieu-Morgan eluded Kewaunee pressure, scrambling to his left before delivering a pass into the end zone, where Smith worked around multiple bodies to make the catch.

"Well thanks to my big guys up front giving me enough time to escape left, I was able to see Allen and give him a chance," said Beaulieu-Morgan, who finished with 161 passing yards. "I trust my guys to make those kinds of plays. He really made an awesome catch, it's great to see his hard work pay off like that."

Dixon and Smith each finished with 64 receiving yards in the contest. Smith also had nine total tackles, while juniors Peter Husby, Gregory Turney and Tate Zhuckkahosee all had six total tackles. Junior Andre Corn had

13 total tackles in the first half alone before leaving with an injury.

Menominee Indian was bit hard by the injury bug during the contest, with several key pieces getting dinged up. The Eagles will rest up and try to correct its mistakes before a battle with Deerfield on April 10.

Shawano players look to adapt to varsity quickly

By **MORGAN RODE**

Sports Editor

The Shawano Community High School baseball team is gearing up for its first true season under head coach Dustin Beyer.

Beyer was set to coach last spring before the coronavirus pandemic eliminated the spring season. Beyer helped coached a high school aged team during the summer, so at least some of the players got acquainted with the new coach that way.

Shawano was set to be a young and inexperienced team last spring, so not having a season only hurt players' chances to get some varsity experience. Over the summer season, several players that will be on the roster this spring emerged as leaders.

Sophomore Ashton Henning (infield, pitcher), senior Zach Erdmann (infield, pitcher) and junior Andrew Popp (outfield, pitcher) were a couple of the team's best hitters over the summer, and Beyer will look to the trio to lead the team this spring.

Helping the trio on the mound

will be seniors Brandan Bushy and Aidan Berry. Both will see time at first base when not on the hill.

"We are excited about the depth of our pitching rotation, and will look to our two senior lefty pitchers, Brandan Bushy and Aidan Berry to anchor our staff this season," said Beyer.

Helping fill out the team will be several other players that helped the summer team to a strong showing.

Senior Kaleb Lowney and sophomore Jacob Landon will play in the infield while junior Zac Jurmu and sophomore Braedyn Kowalkowski help out in the outfield.

Juniors Joey Sperberg, Carson Popp and Jacob Polzin are all potential pitchers Beyer can turn to. Sperberg plays in the outfield, while Popp and Polzin are infielders.

"The biggest challenge for us this season is the lack of varsity experience," said Beyer. "The boys will have to learn fast and correct their mistakes quickly and move on to the next game. Our senior leadership will be a key factor into how well we can

grow as a team throughout the year."

"How I can help lead this team is by example and helping the younger guys out with understanding assignments or helping them get better so we can have a better chemistry

bonding, working things out and by making the team better so we can face those tough matchups in the Bay Conference," said Erdmann.

COLLEGE HIGHLIGHTS

By NEW MEDIA STAFF

Rockhurst

Shawano Community High School graduate Averil Vomastic continued her strong season, performing well in a pair of wins for the Rockhurst University (Missouri) volleyball team last week.

In the team's sweep over Southwest Baptist University (Missouri) on March 30, Vomastic recorded seven digs, six attack kills and a pair of assists.

In Rockhurst's five-set victory over Drury University (Missouri) on April 3, Vomastic tallied 11 attack kills and four digs.

St. Norbert

Bonduel grad Noah Beilfuss pitched during a win for the St. Norbert baseball team April 3.

Beilfuss worked a scoreless 10th inning to earn the save in St. Norbert's 7-5 win in game two of a doubleheader against Lawrence University. He allowed a hit and a walk and also struck

out a batter.

Edgewood

Gresham graduate Mackenzie Hoffman and the Edgewood College softball team posted a 3-1 record across two doubleheaders last week.

In a 10-2 win in the first game of a doubleheader against Marian University on March 29, Hoffman scored a run as a pinch-runner.

In the team's 10-3 win in the first game against Lakeland University on April 2, Hoffman started her day at the plate with a bases-loaded walk and later came around to score.

Hamline

Shawano graduate Peyton Buerman earned a win at No. 6 singles while competing for the Hamline University (Minnesota) women's tennis team on March 27. Hamline topped UW-Superior 9-0.

Buerman made things look easy in a 6-0, 6-0 decision win.

Bryant and Stratton

Shawano grad Bayleigh Laabs continued to produce at the plate for the Bryant and Stratton softball team over the team's past couple of games.

In a 5-0 win in the first game of a doubleheader against Joliet Junior College (Illinois) on March 28, Laabs walked twice and also scored a run. Laabs finished with a double, two singles, three RBIs and two runs scored in a 10-0 win in game two.

In a 12-3 victory in game one of a doubleheader against Morton College on April 2, Laabs tallied two singles and two RBIs. Laabs drove in a run and walked during a 12-4 win in game two.

Des Moines Area

Gresham grad Christian Haffner

and the Des Moines Area Community College (Iowa) men's basketball team won two games last week.

During the team's 91-83 victory over Iowa Central Community College on March 31, Haffner finished with 15 points, seven rebounds, six assists and a steal. He knocked down three 3-pointers among his five field goals.

In an 86-84 win over Iowa Western Community College on April 3, Haffner totaled two points, two rebounds and an assist.

UW-Whitewater

Bonduel graduate Jessie LaBerge and the UW-Whitewater women's golf team opened their spring season over the weekend.

LaBerge tallied a first-round total of 103 before carding a 100 on day two for a total score of 203. She placed 46th as an individual.

Record location fees invite abuses to public

It happens all the time.

A member of the public or representative of the press will file a request under Wisconsin's open records law, which applies to all state and local government entities. Instead of records, the requester gets a bill.

"The city will require prepayment in full before we begin fulfilling your request," read one such response, dated March 17, to a citizen requester by the assistant city attorney of Fond du Lac. "Please remit \$642.42 to cover the above-referenced costs." The notice said this was just an estimate and, if necessary, "we will bill you for the additional cost."

Two weeks earlier, the same assistant city attorney demanded that the same citizen requester, Christine Brennan, pay \$6,887.79 on top of the \$1,000 she had already remitted to cover the cost of locating records in a different request.

Wisconsin's open records law, passed in 1981, allows records custo-

BILL LUEDERS

dians to charge for the "actual, necessary and direct" cost of making and sending copies, as well as the "actual, necessary and direct" cost of locating them, if this latter charge exceeds \$50. Even though these searches are supposed to be done by the lowest-paid employee capable of performing the task, they often add up to hundreds or even thousands of dollars, causing many requesters to walk away without receiving the records to which they are entitled.

In some cases, this may be the intended result.

Last November, the Wisconsin Examiner news website reported on a 2016 email it has obtained in which Wauwatosa Police Department Detective John Milotzky advised a colleague that "many

departments combat the issue (of records requests) by charging a high price to fill those requests, so maybe that's something to look at in the future."

In years past, some custodians even charged requesters for the time it took them to pore over records looking for things to black out, until the state Supreme Court ruled in 2012 that this was not an allowable cost. Custodians are still finding ways to demand huge sums from people seeking public information.

In Fond du Lac, the \$1,000 that citizen requester Brennan paid to obtain records regarding a proposed (and subsequently approved) park development project using public funds yielded a 2019 email from a city council member advising others involved in this process, "Please keep that we are in talks on this on the down low. Stakeholders should be the only people who know that these conversations are happening."

Officials who behave this way

should not be able to escape accountability by making the cost of locating the records that prove their perfidy unaffordable.

Gov. Tony Evers, in his proposed executive budget, calls for raising the threshold at which custodians can charge location fees to \$100. Adjusted for inflation, \$50 in 1981 is nearly \$150 today.

This welcome measure deserves bipartisan support, as it protects the ability of all citizens to obtain public records. But the Legislature should go further and consider ending location fees altogether. Their use invites abuse and creates a disincentive for custodians to efficiently maintain and retrieve records.

If a government office actually must spend \$7,000 of staff time to locate records, perhaps it needs a better filing system.

Your Right to Know is a monthly column distributed by the Wisconsin Freedom of Information Council (wisfoic.org), a group dedicated to open government. Bill Lueders, the editor of The Progressive, is the council's president.

LETTERS TO THE EDITOR

Time to get into a little bit of 'good trouble'

To the editor:

The late and venerable John Lewis stated that, for America to attain its goal of full equality and opportunity, people of moral foundation must continue to cause and get into "good trouble." Now, because of explicit words and actions of leaders such as Ron Johnson and the spineless complicity of leaders such as Mike Gallagher, our state and country is entering a new

era of Jim Crow. This version of Jim Crow under the guise of voting and electoral reform is spreading across our nation as evidenced by the recent actions of the Georgia Legislature.

The time for silence is over. It is time for people of moral character — not merely moralistic words — to stand up. Silence is compliance.

When the Jesus of traditional Christianity overturned the tables in the temple, he was not objecting against economic activity. He was metaphorically standing up for the poor Jews and the neglected "others."

When Gandhi led the non-violent revolution against British oppression in India, he was opposing the "White Man's lie of having a God-given duty to protect those less capable than them. When John Lewis marched across the bridge outside of Selma in the mid-1960s, he was saying "no more" to unequal treatment under the law — regardless of the physical consequences and threat of death.

It is well past time for people of conscience and faith to do nothing. When we hear and see words and actions of hate occurring, speak up.

I am more than willing to work with and talk with Republicans of high moral fiber. I never have considered myself a full-on Democrat. However, those type of referenced Republicans are hard to find these days — especially for me. When actions are motivated solely by fear-based politics is the norm, our hard fought for democracy is jeopardized. When loyalty to one individual supersedes privately held values, bad troubles are afoot.

Let's get into some good trouble.

Ken Kroenke, Shawano

SCMS storm sewer repairs postponed

Project comes with price tag of over \$400K

By **LEE PULASKI**
City Editor

The Shawano School Board postponed a plan on April 5 to have Elexco improve and upgrade the pipes at Shawano Community Middle School to prevent ongoing flooding of the parking lot and basement areas.

The project is expected to cost more than \$400,000 and would begin work this summer, when the school's foot traffic is drastically reduced. The board will take up the issue again at its April 19 meeting.

Shawn Mathwich, buildings and grounds director for the Shawano School District, told the board that the flooding has been an ongoing issue. It was a major problem for the first few months of his job, which he took over from Jeff Easter last year.

"My first couple of months

working for the district, we ran into some water problems at the middle school," Mathwich said. "After doing a little research and talking with people who've worked in the district for some time, we figured out we had a pretty substantial water issue."

The district contacted Elexco, a firm based in Seymour, and had the company do some camera work to look at what was causing the flooding. Mitch Dorn, spokesman for the firm, found cause for concern in that the flooding could be damaging the boiler room equipment, producing mold and even undermining the school's foundation.

The investigation found vegetation penetrating multiple joints in the system, an ample amount of sediment, and certain connections that are improperly sloped and provide limited access for cleaning and in-

spection, according to Dorn.

"Thirteen of the 41 joints were damaged with vegetation protruding through them," he said. "The storm main was functional, as there was water flowing through the main out to the road (Union Street). But it was not functional at the capacity that it was designed for."

Sediment was significantly present in the piping near the boiler room, causing almost 40% blockage, according to Dorn. Some roof drains on the southwest side have some concrete fragments in the piping and some damage present, he said.

"There's no smoking gun, no major breaks," Dorn said.

The remedies offered by Dorn include using a sewer jetter to regain capacity in the pipes and creating basins to catch sediment at the mouth of the tunnels, as well as one near the entrance of the school that would allow standing water to discharge to

the streets. He is also recommending rerouting surface waters away from the school with the installation of a new perimeter storm main.

Dorn said the project would extend the school's storm system to the north to reduce the subsurface water that Elexco discovered. It would also replace pipes in the areas where the concrete fragments have caused damage.

The school's life expectancy after the renovation work five years ago is still another 25 years, but board member Chris Gull suggested that the district implement all the recommendations and not do it piecemeal.

"We spent so much money on that building, expecting to get 30 years out of it," Gull said. "Don't put a Band-Aid on it. Let's fix the problem and get our 30 years out of this building."

Olga Brener getting new playground this summer

By **LEE PULASKI**
City Editor

Plans to upgrade the playground area and equipment at Olga Brener Intermediate School will move forward after the Shawano School Board gave its approval April 5.

Updating the playground would cost the district \$117,925 for the equipment alone from Lee Recreation, based in Cambridge. The Shawano County Highway Department would perform some excavation work and pour the asphalt, which has a price tag of \$19,300. Along with the district's time to remove the old equipment, the total cost for the project would come out to \$191,780.

The playground tends to be closed for much of the spring due to flooding, according to Shawn Mathwich, buildings and grounds director for the Shawano School District.

"Over half of the playground

can't even be utilized," Mathwich said. "We really did some hard looking at the usability of the playground. We looked at things like moving the playground, repairing what we've got."

Much of the equipment currently in place would be removed, as it is not compliant with the Americans with Disabilities Act, Mathwich said.

"It's about a 50% chance that you would be able to salvage anything," he said. "A lot of it would be broke, bent or destroyed upon trying to remove it."

The equipment would be paid for via "flow-through dollars" from special education funds, according to Superintendent Randi Anderson.

Excavation work would begin the second week in June, according to Mathwich, and the new playground should be in place around the end of July.

**PROJECT: ELAND BALLPARK RESTROOM CONSTRUCTION
SHAWANO COUNTY, WISCONSIN**

BID DEADLINE: 4:00 PM April 21, 2021

NOTICE:

Sealed proposals for construction of a 308 S.F. restroom building will be received by Shawano County at the office of the Shawano County Clerk, 311 N. Main Street, 1st Floor Room 104, Shawano, Wisconsin. The facility will be built at the Eland Ballpark in the Village of Eland, Shawano County.

Lump-sum proposals will be accepted for general construction of the complete facility including all trades.

TIME:

Sealed bids will be received by Shawano County at the office of the Shawano County Clerk at 311 N. Main Street, Shawano, Wisconsin until 4:00 PM, local time, on Wednesday April 21, 2021. The bids will be publicly opened and read aloud at the Highway and Parks Committee meeting at approximately 8:00 AM on Thursday April 22, 2021 at the Shawano County Highway Department.

BIDS:

All bids shall be addressed to ATTN: Pamela Schmidt, County Clerk, Shawano County Courthouse Room 104, 311 N. Main Street, Shawano, Wisconsin 54166, and shall be enclosed in an opaque envelope clearly identified as "PROPOSAL FOR ELAND BALLPARK RESTROOM", marked with the name and address of the bidder. All bidders shall bid in accordance with, and shall bid upon the Proposal Forms included in the Bid Documents.

BID DOCUMENTS:

Bid Documents may be examined at the office of the Engineers. Complete sets of Bidding Documents may be obtained from the Engineers, Nordin Design Group, Inc., N5841 Hwy. 47-55, Shawano, WI 54166, for a non-refundable handling fee of Thirty Dollars (\$30.00), payable to Nordin Design Group, Inc., for each set of Bidding Documents requested.

QUALIFICATIONS:

Owner requires Bidders to be pre-qualified for this project in accordance with the Wisconsin Statutes 66.0901(2). Qualifications shall be delivered to the Engineer, not less than 5 days prior to the bid deadline. Bidders who have submitted satisfactory qualifications for a previous project during calendar 2021 will not be required to submit separate qualifications for this project.

BID SECURITY:

Each proposal must be accompanied by a cashier's check or bid bond duly executed by the bidder as principal and having as Surety thereon a company qualified to act as Surety in the State of Wisconsin. The Bid Security shall be not less than five percent (5%) of the total amount of the bid, which shall be forfeited to Shawano County in the event that the successful bidder fails to enter into a Contract and to furnish satisfactory Performance and Payment Bonds within ten (10) days after Award of Contract.

BID REJECTION:

The Owner reserves the right to reject any and all bids, to waive irregularities in the bidding, and to accept the bid deemed to be in the best interests of Shawano County.

HOW MUCH FARTHER, CHARLIE BROWN?

ONLY ABOUT TWO OR THREE MORE BLOCKS

I HATE BEING THE VISITING TEAM!

THEY'RE HERE, SIR!

HI, CHUCK! WELCOME TO OUR NEIGHBORHOOD!

WE APPRECIATE YOUR COMING OVER HERE WITH YOUR TEAM FOR THE FIRST GAME OF THE SEASON...

THANK YOU!

WHY DON'T YOU GUYS TAKE THE FIELD FOR A LITTLE WARM-UP... THEN WE'LL START THE GAME...

OKAY, I'LL HIT 'EM A FEW FLIES...

GOOD GRIEF, LUCK, YOU'RE GOING TO HAVE TO DO BETTER THAN THAT!

WHAT DID YOU EXPECT? I'M SUFFERING FROM JET-LAG!
