WHAT IF I MAKE A MISTAKE ON MY BALLOT?

If you are voting absentee and your ballot has not yet been returned to the municipal clerk, you may request to spoil your ballot and receive a new one by contacting your municipal clerk (deadline to spoil and request replacement is 8/6/26).

On Election Day, voters may spoil their ballot and receive up to two replacement ballots for a total of 3 ballots (which includes the original).

I VOTED ABSENTEE AND MY CANDIDATE DROPPED OUT. CAN I RECEIVE A NEW BALLOT?

The Wisconsin Elections Commission released guidance on July 7, 2026 which determined that if a voter returns their voted ballot and later changes their mind about who they would like to vote for or because the candidate they originally voted for has dropped out of the race, this does not constitute an "accident or mistake." The ballot cannot be spoiled and reissued for any reason

Visit www.MyVote.Wi.Gov to register to vote, request an absentee ballot, check the status of your ballot, and more.

WHAT IS A PARTISAN PRIMARY?

The purpose of a Primary Election is to narrow down the number of candidates that advance to the General Election Ballot. Voters will need to choose which party they want to vote for in the primary election. Voters may not vote for candidates in more than one party. Voting for candidates in more than one party may cause your vote to not be counted. You can not cast a single party vote.

Special Instructions for Voting in a Partisan Primary

In the Partisan Primary:

- You may vote in only ONE party's primary
- If you choose a party, votes cast in that party will be counted. Votes cast in any other party will not be counted
- If you do not choose a party, and you vote in more than one party, no votes will be counted

You must vote for individual candidates

Notice of Partisan Primary and Sample Ballots

August 11, 2026

Office of the Oconto Clerk
To the voters of Oconto County:

Notice is hereby given of a partisan primary to be held in Oconto County on August 11, 2026, at which the nominees for the offices named below shall be chosen. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office under the appropriate party, each in its proper column, together with the questions submitted to a vote, if any, in the sample ballot below.

Information to Voters

Upon entering the polling place and before being permitted to vote, a voter shall:

- state their name and address
- show an acceptable form of photo identification*
- sign the poll book**

***If a voter does not have acceptable photo identification, the voter may obtain a free photo ID for voting from the Division of Motor Vehicles.**

****If the voter is unable to sign the poll book due to disability, a poll worker may write the word "exempt."**

If a voter is not registered to vote, they may register to vote at the polling place serving their residence if the voter provides proof of residence.

Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot.

Upon being permitted to vote, the voter shall enter a voting booth or go to a machine and cast their ballot. The vote should not be cast in any manner other than specified here. Sample ballots or other materials to assist the voter in marking their ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

A voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward.

An election official may inform the voter of the proper manner for casting a vote but the official may not advise or indicate a particular voting choice.

Assistance for Voting

A voter may select an individual to assist in casting their vote if the voter declares to the presiding official that they are unable to read, have difficulty reading, writing, or understanding English, or that due to disability are unable to cast their ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter. If a voter is unable to state their name and address, an assistant may also do so for the voter.

At the partisan primary, the voter shall select the party of their choice. Voting for candidates of more than one party may invalidate the ballot. The voter must cast a vote for individual candidates.

Where Optical Scan Voting is used

- If a party preference *is designated*, and votes are cast for ballot candidates of another party or write-in votes are cast in another party, only votes cast in the designated party will count.
- If a party preference *is not designated*, and votes are cast for candidates (or write-in votes are cast) in more than one party, no votes will be counted

Within the party of their choice, the voter shall fill in the oval next to the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided for a write-in vote and fill in the oval next to the write-in line.

Where Touch Screen Voting is Used

The voter shall touch the screen or use the tactile pad to select the party of their choice. The voter shall then touch the screen at the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of their choice in the space provided for a write-in vote.

Spoiled Ballots

If a voter spoils an **optical scan** ballot, they shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

The voter may spoil a **touch screen** ballot at the voting station before the ballot is cast.

After Voting the Ballot

After an official **optical scan** ballot is marked, it may be inserted in the security sleeve, so the marks do not show. The voter shall then insert the ballot in the voting device and discard the sleeve or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

After an official **touch screen** ballot is marked, the voter shall leave the polling place promptly.

Sample ballots may be viewed on myvote.wi.gov, at the polling locations on election day, and a sample of the official ballot styles for the ICE voting equipment are included in the Type B Notice published in the Times Herald and Reporter the week prior to the election.
